Engine 51 hiked into an EMS call of a male patient in respiratory distress through 2 feet of snow (uphill both ways). While they were treating the patient battalion one worked with the Yavapai county road department to get the roads cleared to extricate the patient to YRMC West for treatment. The crew was battalion 6B shift engine 51 consisting of captain Dennis Brown , Acting engineer Ryan Ferris, fire fighter Nelson Divall.

Subject: Telecommunications

Chief,

I just wanted to take a moment and acknowledge the fantastic work that your telecommunications folks did for us today.

Early this morning, we suffered an equipment failure at Spruce Mountain that impacted the functionality of half of our voice radio system. I immediately contacted Dave by telephone and he began monitoring and diagnosed the issue within moments.

We quickly devised a couple of plans to access the site, both of which were severely complicated due to the extreme weather the area has experienced in recent days.

With the assistance of the YCSO helicopter, flown by our own Chief Deputy Jeff Newnum, Dave was inserted on the mountaintop in a very technical power-on landing situation.

Tony, who was on an approved day off today, self dispatched to aid in the effort. Tony planned and organized a ground mission as an alternate should the helicopter insert fail.

Jonah assisted in coordinating at the shop and Academy campus to include assisting with the establishment of a suitable landing zone there.

I have known Jonah since junior high school, and I have known and worked with Dave and Tony for a dozen years or more. I consider these guys to be more than professional acquaintances, in many ways, we are personal friends.

All three of these representatives of your organization are talented professionals who are extremely well respected in their field. I cannot emphasize enough the value of the partnership between our agencies, and I remain grateful to you and your organization for this.

As for the rest of the story, after snowshoeing across the mountain, crawling through a fence and unburying the site building with a shovel, Dave was quickly able to make the repairs with the parts and equipment pre-arranged by Tony and Jonah at the Academy. After a few short hours, service was completely restored.

I would certainly appreciate you conveying a heartfelt message of gratitude from the men and women of the Sheriff's Office to your telecommunications personnel. They are simply the best in the business.

Many thanks,

Brian Hunt, Captain
Yavapai County Sheriff's Office

To whom it concerns,

I just want to give a shout out to the team from engine 51. On the evening of [REDACTED], I came home to find my smoke detector going off and my husky pup howling. Unfortunately we did not have a ladder that would reach the detector placed 20 feet above the ground and are new to the area of [REDACTED].

I was surprised to find out that you could call the non emergency fire dept. number for this. The team was kind, personable and efficient in replacing the battery. Sophie, the pup and I were so grateful to be able to sleep in peace that night.

Thank you so much to the guys from engine 51. They would not take a donation so I am sending it to you.

Gratefully,

Rebeckah [REDACTED] (and Sophie)

Dear Fire Chief Freitag;

Very late Monday evening, [REDACTED], my husband slipped and fell on the ice while putting our trash can on the curb for pickup the next day. We estimate he spent approximately two hours crawling up the driveway, through the garage and into the house, where I eventually found him. This was the [REDACTED] and temperatures were in the twenties. He was disoriented, soaking wet, extremely cold, and complaining of a hurt hip. My husband and I [REDACTED] and I was unable to pick him up or help him and so I called 911 for assistance. Fire Station 54 came to our rescue by sending three wonderful men, Jim B., Mark M., and Michael N. I cannot begin to tell you how kind, caring and professional these firefighters were....they were just amazing! They helped get my husband into dry clothes while they assessed his injuries, checked his BP, Heart, respirations, administered oxygen, etc. My husband really was resistant about going to the hospital, but through their patience they were able to convince him that it was important to get checked out especially if he might have a broken hip (which he did). I was just very impressed at how well they did their jobs, and their compassion (even checking to make sure I was ok before they left). Men like these are a credit to our community and CAFD and we are so fortunate and grateful for their service. Kudos for a job WELL DONE!

Sincerely,

To each of you~

The wonderfully detailed article in The DailyCourier on Tuesday,
February 9th prompts this appreciative and emotional feedback.
Community Paramedic by Aaron Valdez.

It takes a few brains and hearts cooperating together to bring about
great ideas. The task at hand then requires energy and commitment.
This is obvious by the actions of your team and that of the YRMC.

I am a happy and healthy senior resident of Prescott Valley. My
husband and I moved here from Albuquerque, NM in April of 2018. I
became instantly more proud and confident that we chose this place
to thrive, after reading about Brett Poliakon, Jory Ingrao and the
YRMC team efforts to keep people safe and at home after
hospitalization. I trust this sensible, proactive and cost effective
approach to caring for people as described in this article will grow
and prove advantageous for everyone involved for years to come.

Thank you from the depths of my heart.

Respectfully yours,

Jacque [REDACTED]

Chief's Report

By Fire Chief Freitag

The legislative session has been busy so far this year. One upside to COVID is that we have the ability to testify in House and Senate committees remotely which has worked out better from a scheduling perspective.

I am working with Fire Service leadership from around the state regarding the pension refinancing bills. These are mirrored bills in the House and Senate that are being run with an emergency clause so once the governor signs them, we would have access to Certificates of Participation (COP). The little push back we've had is a bit odd, at least in my opinion. While the numbers clearly show that we can save the taxpayers millions of dollars, some on the far right of the Republican Party are opposed. At least one Senator equated refinancing the debt at a lower interest rate as "kicking the can down the road." He also stated that it's our mess and we need to clean it up. I refrained from reminding him that we do not oversee PSPRS, he does.

As I pointed out in my testimony, Fire Districts have no tools available outside of property taxes to address our pension debt. We need access to something that better helps to control costs while paying down what we owe to the system.

I will testify in favor of the House bill regarding pension refinancing on Wednesday the 17th.

The week of February 8th I attended the second week of my Executive Leaders Program. Once again, due to COVID, we spent a week of virtual learning on Zoom. I can attest that there is something that is lost when attendance in a program is strictly virtual. In these types of programs, one of the greatest benefits is a result of networking face-to-face with classmates from around the country from all different disciplines. Our next week-long class is scheduled for April. Given the program is held on a naval base in California, it is highly unlikely we will be cleared to meet in person.

We continue to receive positive feedback from our weekly podcasts. There are six longer episodes that are complete, but still waiting for editing. Unfortunately, we simply do not have the staff at this point to keep up with editing. That said, we have adjusted our approach and have started introducing the public to some of our members. It has actually turned into somewhat of a recruiting tool for people researching our organization. In a recent interview, an applicant cited the podcast as one of the reasons she applied to be part of our team.

On Monday, February 15, H2802 related to ambulance CONs was heard in the House Health Committee. Unfortunately, no vote was taken to move the bill forward. At this point, we are working to determine the next steps. The only opposition to the bill was from two ambulance companies who are not held in high regard around the state. Following the meeting, I sent an email to our bill sponsor, Representative Burges, countering the arguments made by the opposition. Hopefully, I'll have an update for you by the Board meeting.

We have been meeting both with Labor and the Wage and Benefit Committee discussing a path forward based on the Wage and Benefit Study that was completed. The dialogue has been good and I believe that we will end up with a sound plan to offer the Board as part of the budget process. Dialogue is ongoing.

Our CON application is being reviewed by our consultant. The sample Ambulance Reporting Cost Recovery document (ARCR) will be completed by an outside expert. Ms. Steadman, our consultant, hopes to have an individual contracted to calculate the numbers in the coming days. There is still a long way to go, but we are progressing.

As a result of limited ambulance transport abilities in our area, we have had to staff our rescues more regularly since the last Board meeting. While this has been an ongoing issue over the years, COVID has amplified the challenges. In the meantime, our folks know that our patient's health is the priority and to do whatever is necessary to get them to definitive care.

Administration

By Assistant Chief Tharp

Well, good news, we have received the Net Assessed Valuation (NAV) on the Limited Property Values (LPV) for the Central Yavapai and Chino Valley Fire Districts. This year it has been reported that we will see a 7.938% increase in the NAV - LPV for Central Yavapai and a 7.480% increase in the NAV - LPV for Chino Valley. I think that these are the highest numbers so far of an increase since the Prop 117 limitations have been in place. While these numbers could result in a potential revenue yield of \$1.78 million without increasing the tax rate, we did request a breakdown of new construction versus existing assessments as this trend also becomes important for the future affordability of “ongoing” expenses of CAFMA. That report will be provided by the County Assessor’s Office in a couple of weeks and we will use the data with the prior years since 2016 to determine how new growth can be factored into a sustainable financial forecast.

It has always been the focus of this Agency to be financially responsible while meeting the needs of the communities it serves and to be a competitive recruitment and retention employer. We are working through our Labor Management group and the Wage and Benefit Committee to address the areas highlighted in our Wage and Benefit Study presented by SEGAL. We are unable to meet all the benchmarks in one year, but are confident that we can work together with our personnel to present a multi-year plan that will meet the areas of concern in the study.

As reported last month, the PSPRS obligation for this next fiscal year will increase the employer costs above what we had forecasted for Fiscal Year 2022. The overall increase will be close to \$500,000 – not counting the multi-year obligation by the Board to pay an escalating \$250,000 towards the unfunded liability of CAFMA. The forecasted increase of 5% per year may not meet our “minimum payment” obligations going forward – and we are working with PSPRS and our actuarial software to see how much we should plan for the future. Additionally, we are working to have other options for funding our unfunded pension liability through the legislature. Regardless of our options for increasing revenue options, it does not help that we only have a .91% return on investment when we assume 7.3%.

Finally, we are waiting for the various “big expenses” other than retirement contributions. Our health insurance carrier, KAIROS, is a government risk pool between fire districts, school districts and towns and cities. Historically, since inception, they have had a 0%, 3%, 5% and last year was a 10% increase in premiums. 18% in the past four years has meant a 4.5% increase on average while the rest of the insurance industry has seen at least a 7.5%. Even with a 10% increase in premiums, the budgeted loss for the pool was \$2.4 million. We are seeing a higher than normal utilization rate and claims expenses. However, we are confident that changes in claims managers will yield cost savings in the future. All that said, we are looking at a 7% aggregate premium increase – but because CAFMA has been seeing some favorable claim history, our rate will be less than the aggregate. Again, if our expected increase was 5% for FY2022; we will see a deficit that will be need to be addressed in our budget process.

General:

CAFMA Board of Appeals was utilized for a local contractor who had performed unpermitted work on a fire alarm system for a local business. The 2018 International Fire Code and the 2016 National Fire Protection Association both state that a permit from the Authority having jurisdiction shall be obtained prior to performing this type of work. The contractor did not feel he needed to obtain a permit, so he requested a hearing for a variance to the Fire Code. The Board of Appeals decision was that a permit was required for this work.

We are currently accepting applications for a Fire Inspector/Apprentice position.

We are working with the Town of Prescott Valley on an IGA where staff from the Town will handle the inspections for underground firelines that start at the water system piping and end at the building. CAFMA will continue to inspect underground firelines that have a remote fire department connection.

Monthly Safety Tip:

PET FIRE SAFETY:

- Pets are curious. They may bump into, turn on, or knock over cooking equipment. Keep pets away from stoves and countertops.
- Keep pets away from candles, lamps, and space heaters.
- Always use a metal or heat-tempered glass screen on a fireplace and keep it in place.
- Keep pets away from a chimney's outside vents. Have a "pet-free zone" of at least three (3) feet (1 meter) away from the fireplace. Glass doors and screens can stay dangerously hot for several hours after the fire goes out.
- Consider battery-operated, flameless candles. They can look and smell like real candles.
- Some pets are chewers. Watch pets to make sure they don't chew through electrical cords. Have any problems checked by a professional.

SMOKE ALARMS:

- Have working smoke alarms on every level of the home. Test your smoke alarms at least once a month.
- If the smoke alarm sounds, get out and stay out.
- Never go back inside for pets in a fire. Tell firefighters if your pet is trapped.

FACT:

Pets or wild animals have a part in starting about 750 home fires per year. These involve cooking equipment, fireplaces and chimneys, space heaters, lamps, bulbs, wiring, and candles.

We have been able to take the next step in getting our new SCBAs in service. This has been a long process and a project that was started before I stepped into my current position. There have been a number of delays because of manufacturing issues and getting approval through the NFPA 1852 -Standard on Selection, Care, and Maintenance of Open-Circuit Self-Contained Breathing Apparatus (SCBA) committee. The packs have now been placed at the stations and the crews are training on the new SCBAs. There is an advantage in the training since these SCBAs are from the same manufacturer as we have had before. While there are several new features, they are relatively similar to the older SCBAs. We are working to place them into service at the beginning of March; however, this will be dependent on completing the required training.

Eric Crossman and Andrew Dearing have put a lot of work into the health and wellness area that is being developed at Station 53. They have been working with Zach and Brody Fields, along with the rest of the Peer Fitness Group to start the process. They are opening up space to increase the gym equipment that will be available to all personnel and to better utilize more of the space at Station 53. This is the first phase in a long-term goal to increase the health and wellness of all personnel. The goal will be to perform all physical fitness monitoring at Station 53. There has been substantial progress and we are looking forward to putting this into use.

We continue to work with the Labor group to move forward with the adjustments to wages and benefits. I feel that the conversations have been very productive as we work to establish a final plan to present to the Board of Directors. We will continue to work on honing in the final presentation to ensure that it is both reasonable and sustainable. Chief Parra and Captain Merrill have been doing a great job working on developing training and hosting courses at CARTA, and it's been very nice to see the Training Center busy. We are working on our testing schedule for future hiring and promotions and these classes will be necessary to prepare personnel for advancement in the organization.

We have filed 21 formal complaints with Arizona Department of Health Service (AZDHS) for the month of January. The number of complaints has come down quite a bit due to the CAD to CAD link getting the dispatch information to Lifeline's dispatch center in a quick manner. There are still problems, but overall the rate is down from a high of 60-80 per month.

The EMS Division has spent quite a bit of time dealing with COVID-19-related issues. We are currently testing our symptomatic employees at the Warehouse using the Abbott Laboratory BinaxNow point of care test. This rapid test yields results in under 15 minutes. Yavapai County Health has supplied CAFMA with a limited number of these tests. As of 02/10/2021, we have identified 41 operations employees and three (3) staff members that tested positive for COVID. We have kept in touch with them and everyone is doing well. Most of these employees are back at work.

CAFMA employees have had the option to get the Moderna vaccine through YRMC and Spectrum Healthcare. The second round of shots will be given in February. Several folks have felt poorly after getting the second vaccination injection. The flu-like symptoms last up to 48 hours. CAFMA has also had several employees volunteer at the vaccination clinics. This has been a very rewarding experience. I have never seen so many people want to be poked by a needle!

We have submitted our CON application to Kathy Steadman for review and editing. We are waiting for some help filling out the Ambulance Revenue and Cost Report. Once that is completed, CAFMA can submit the completed application to AZDHS.

Jory Ingrao has been performing Community Paramedic functions for about a month. This project is going well and we are getting positive feedback from the community and from healthcare workers. You may have read the article this week in the Daily Courier highlighting our partnership with Dignity Health YRMC. I am excited to see where this project goes.

FACILITIES

The snow storm came and went without too much difficulty dealing with the snow removal due to the fact that we have the new plow attachment for Facilities Manager Crossman's truck. We realized a pretty significant cost savings this storm from the last having been able to utilize it.

We worked with Tech Services to complete installation of the new cameras at Admin, finished up the new access control latches at CARTA, and completed the access control system on the gate at Station 59.

The new bay door installations have been completed at Station 54 and Station 53.

The new sand enclosure has been completed at Station 53.

The gym expansion at Station 53 is moving along well. New plans to raise the ceiling in the majority of it are underway. In addition, the new HVAC unit will be installed next week along with a new sub panel to accommodate dedicated circuits for the treadmills and stair climbers. Plans are to have this project completed by April.

The Station 72 kitchen remodel is at a standstill awaiting the completion of the cabinetry. The floors and all patch work have been completed. We are looking forward to the results of the remodel in hopes of utilizing the ideas for future remodels in CAFMA.

The roof contractor has been chosen for the repairs and sealing of the roof over the offices at CARTA. They are expected to start in the April timeframe. Also, the bay doors, exterior doors, and trim are going to get a fresh coat of paint within the next month.

Though efforts were focused on Station 72 and the Station 53 gym this past month, routine maintenance still continued daily along with needed unexpected repairs. But in addition to that, the completed work order email requests received since July 1st is now up to 195.

WAREHOUSE

We had an issue with turnout that we ordered coming in to the Warehouse and being different sizes than what we ordered. We were able to make contact with the manager and resolve the issue. The new, correctly-sized turnouts, have arrived and will be sent out to personnel within the next week.

We have had some uniform items discontinued. Warehouse personnel worked diligently to find replacements that were similar in quality and design. Those replacements have been found and are on order.

DIVISION REPORTS

REPORTED TO THE
CENTRAL ARIZONA FIRE AND MEDICAL AUTHORITY
BOARD OF DIRECTORS

The majority of uniforms ordered by CAFMA personnel is scheduled to be completed in the next couple of weeks. Once we receive these they will be delivery to the necessary locations for disbursement.

As we work through the process to conduct our first Warehouse audit we are just about finished with the process of labeling each specific item with a QR code. This process should be complete by the end of February.

FLEET

Projects:

NEW TYPE 1 ENGINES: We have two type one pumpers in our current budget. Our Apparatus Committee has been meeting and developing specifications for these new builds. We have been able to look at multiple builders and even make a trip down to Phoenix to look at examples of different trucks.

STAFF VEHICLES: Our new mechanic truck is currently being outfitted and getting ready to be put in service. We have also taken delivery of the two Chevrolet Tahoes that were on order for our Assistant Chiefs. One of them is currently having its reflective striping installed and the other is at AEP in Phoenix waiting for light and siren install.

Maintenance and Repair: Old Engine 61 is being reassigned to Station 63. While in the shop a cracked cab was discovered that was causing a separation through the entire windshield and radiator support area. This has been completely disassembled and rebuilt. This job required extensive fabrication and should be going out for body and paint soon. Engine 54 was in for a water pump and DEF doser valve under Cummins factory warranty. While in the shop it received its scheduled service and annual pump test. Engine 59 was brought in for service and a radiator replacement. While disassembled, Fleet personnel found the front engine cover leaking quite a bit of oil. This is a very in-depth repair and requires substantial disassembly of the front of the engine assembly. E-662 will be moving to a training engine spot. It is in the shop for brakes as well as torque rod bushing replacement on the rear axle. The next engines scheduled for maintenance and repair are E51, E63, E58 and then the reserve engine fleet.

Training **By Training Chief Parra**

The January/February Quarterly training that focused on search and rescue techniques will be completed this month. These are techniques that will provide the firefighters with the skills to better protect themselves and their crew during a structure fire. Part of the training included crawling through the training tower in limited visibility created using our smoke machines. The crews work on searching for victims in a systematic and controlled approach with very little visibility. Throughout the tower we placed furniture in rooms and had training manikins they had to locate and remove from the building. The training has gone very well and we are now preparing for the next session in March/April which will focus on live fire operations.

Training continues to increase with multiple classes that are occurring in February. These classes include a Paramedic Refresher, 130/190, ACLS, PALS, as well as the second session of the NFA Leadership Series. Captain Merrill travelled to Nevada to obtain the NFA training that he is conducting in our region; he has done a great job facilitating this class and we have received an abundance of positive feedback from within our department and outside agencies.

One of the focuses for training this month was to provide HandTevy training to every crew. HandTevy is a pediatric resuscitation system proven to save lives and reduce errors. Treating the emergent pediatric patient is difficult and time-sensitive for even the most advanced healthcare provider. The HandTevy Pediatric System is the leading platform designed to give clinical teams rapid access to lifesaving dosing, equipment, and drip information while documenting every critical action accurately. Jace Hall has dedicated much of his time instructing this course and has done a fantastic job.

Labor Report

By Captain Jaron Kirk

Over the past several months the Union at the chapter level has been working closely with Senior Staff in negotiations for wage and benefit improvement. The Segal Wage and Benefit Study exposed some areas where CAFMA needs improvement to meet the common goal in remaining a competitive and desired department to work for. Senior Staff has been receptive of the Union's proposals to address these issues and we are continuing to work towards the best outcome for this upcoming fiscal year.

With support from Senior Staff we are excited to move forward with many charity events that we were not able to host in 2020 for obvious reasons. Unfortunately, the upcoming annual pancake breakfast that serves as a fundraiser for Firefighter Angels will not be happening at this time; however, as a local and a chapter we have many events scheduled in the near future. We hope that this only improves, and as a Union we are able to get back to our complete schedule of charity events throughout the year.

NOTICE OF MEETING

Pursuant to A.R.S. § 38-431.02, notice is hereby given to the members of the Central Arizona Fire and Medical Authority Board of Directors and the general public that the **Central Arizona Fire and Medical Authority** will hold a meeting open to the public on **Monday, January 25, 2021 at 5:00 p.m.** The meeting will be held at **Central Arizona Fire and Medical Authority, Administration, 8603 E. Eastridge Drive, Prescott Valley, Arizona.** The Board may vote to go into Executive Session on any agenda item, pursuant to A.R.S. §38-431.03(A)(3) for discussion and consultation for legal advice with Authority's Attorney on matters as set forth in the agenda item. The following topics and any variables thereto, will be subject to Board consideration, discussion, approval, or other action. All items are set for possible action.

1. CALL TO ORDER / ROLL CALL OF BOARD MEMBERS

Chair Zurcher called the meeting to order at 5:00 p.m.

2. PLEDGE OF ALLEGIANCE

Chair Zurcher led the Pledge of Allegiance.

3. CORRESPONDENCE AND PRESENTATIONS

- A. Analysis of Fiscal Year Ending June 30, 2020 Audit and Review of Equity of the Respective Agencies

Chief Tharp requested this item be tabled until March when all Boards meet.

- B. Letters from the Public and Board Recognition

Director Mills inquired if these letters could be added to the Review, and if they went into the mentioned employee's personnel file. Chief Freitag explained that we do send a copy to the mentioned employee or crew, but we do not put copies in their personnel record. He added that due to the number of letters we often receive, the Review is not the appropriate place for them, but we could look at

other options.

4. REPORTS

Reports are informational only. Any item articulated in the reports is subject to clarification, discussion, and direction by the Board; no action will be taken.

These items were inadvertently skipped and returned to after the Consent Agenda.

A. Board Member Reports

Chair Zurcher noted there are some changes for Board member reports, specifically that Board members will no longer report on an assigned topic, but will use this time to report any activities they've been involved with in the community or within the Agency, or any interactions they've had with community members.

B. Division Reports

Chair Zurcher noted the changes to the agenda and explained what the expectation is moving forward for this item.

As Labor did not submit a report, Captain Ben Roche provided an update, including the association conference where we have a few members in attendance, work on the presumptive cancer and COP legislation with the PFFA, and leadership changes within Local 3066.

Chief Freitag advised the Board that we closed the office early today due to adverse weather, and will consider weather conditions for tomorrow to determine if staff will come in. He added that he is meeting with Representative Burges tomorrow to discuss sponsorship of the CON bill.

C. Status Report on Fiscal Year 2021 Goals and Objectives

There were no questions from the Board to Chief Freitag regarding the status of the goals and objectives as presented. Chair Zurcher asked that we keep this item on the agenda for next month's meeting.

5. CALL TO THE PUBLIC

In accordance with A.R.S. §38-431.01(H) the Central Arizona Fire and Medical Authority Board has decided to allow public comments as time permits. Those wishing to address the Board regarding an issue within the jurisdiction of this public body may do so by completing a *Call to the Public* form and submitting it to Staff. Speakers are limited to three (3) minutes, but may submit written comments for Board records. Call to the Public shall not exceed 30 minutes per meeting. Board members shall not discuss or take legal action on matters raised during an open call to the public, but may ask Staff to review a matter or may ask that a matter be placed on a future agenda.

There were no public comments.

6. CONSENT AGENDA

All matters listed under consent agenda are considered to be routine by the Central Arizona Fire and Medical Authority Board and will be enacted by one motion. There will be no

separate discussion on these items. Any item may be removed by a Board member and will be considered separately for motion, discussion, and action.

7. VOTE TO GO INTO EXECUTIVE SESSION

- A. Legal Advice Pursuant to A.R.S. §38-431.03(A)(7) Regarding Potential Sale of Portions of Parcels 103-35-197 and 103-35-755F to Green River Properties

Attorney Cornelius suggested the Board have discussion in open meeting to determine if we need to adjourn to executive session.

Motion to go into executive session @ 5:19 p.m.

Move: Darlene Packard Second: Owen Mills Status: Passed

Yes: Darlene Packard, Matt Zurcher, Owen Mills

8. NEW BUSINESS

- A. Discussion and Possible Action Regarding Potential Sale of Portions of Parcels 103-35-197 and 103-35-755F to Green River Properties

Chief Freitag explained this property is about the size of four (4) parking spaces. We have had this conversation with the Thai restaurant since we purchased the property. There is a small section of our property that would serve them well and that we do not have plans for. We did not place this land on the market or advertise it is for sale as it's not a marketable portion of land; the only party that would benefit from having it is the restaurant. The restaurant is willing to pay the appraisal price.

Chief Rose explained that the appraiser used our fence line as the boundary; we would take an additional 12 inches from what is drawn to ensure the fence is on our property.

The Board adjourned to Executive Session at 5:19 p.m.

Open meeting reconvened at 5:31 p.m.

Chair Zurcher stated that staff has their direction, and we look forward to seeing something on this item at the next meeting.

B. Discussion and Possible Action Regarding Approval of Community Integrated Paramedicine Program Agreement

This item was taken after item C to allow Chief Niemynski to be present via Zoom.

Chief Freitag stated that we've been working with YRMC for several years on getting this type of program started; now that Dignity has taken over, there is much more interest from them. He added that we currently have one person staffed for this program, and they are primarily providing follow-up care for Covid patients that have been sent home, ensuring they understand and are following the guidelines provided by the hospital, and get additional medical help if needed. There is more that this program covers, but at this time, this is what the system needs.

Chief Niemynski advised the Board that the program started on January 11th and that the Community Paramedic is working a 40-hour schedule, Monday through Thursday. He mentioned that the hospital would like more than that. The hospital currently has over 200 patients signed up for this program to keep Covid patients at home until either they recover or need to be hospitalized. Our Community Medic is visiting these patients in their home, ensuring they have access to the app to track SPO2 and vital signs on their phone or iPad. He stated this is the trial phase for the program and we will look at it in 6 months to determine if we want to continue; hopefully Dignity and YRMC will want to add funding for this program at that time.

Chief Niemynski believes the program will expand, and stated the original intent for this program was to assist patients with COPD, diabetes, CHF. Covid has been the focus because the hospital is overwhelmed with those patients right now; we're trying to help them keep space open on the floor for other types of patients. People are still having heart attacks, strokes, etc. in our community and we need to make sure there's room for them. The community is very thankful and appreciative.

Attorney Cornelius advised that the agreement is the standard form for independent contractors with YRMC, but has been modified to meet the agency's needs; the standard addendum we require is also attached.

Motion to proceed and accept the paramedicine agreement and the addendum for the agreement.

Move: Darlene Packard Second: Owen Mills Status: Passed

Yes: Darlene Packard, Matt Zurcher, Owen Mills

C. Discussion and Possible Direction to Staff Regarding Annexation and Fire Protection Agreement Bulk Mailing to Paulden Residents

This item was taken before item B.

Chief Freitag stated he recently had the opportunity to speak to the Paulden

Area Community Organization; they are once again wanting to press for additional annexations in the Paulden area. We've tried to get information out in every manner other than a bulk mailing. We've looked into the cost of putting together a post card designed to prompt the property owner to look into whether they have fire protection coverage, and point them to our staff if they have questions about their options for coverage. A mass mailing to approximately 6,000 addresses would cost about \$1,000. We've confirmed with agency counsel there are not any legal issues with this, as there are no other agencies out there that can provide this service to them. This is before the Board because it is outside of what we would normally do. It is not a political mailing, and is not promoting annexation; it simply provides information on the options available to them.

All present board members commented that they felt this is a good idea. Chair Zurcher added that if we have good response we could repeat for other areas as well. Director Mills stated he hopes we see positive results and he would love to see the whole area covered.

Chief Freitag mentioned they also handed out flyers and maps at recent clean-up day event.

9. ADJOURNMENT

Central Arizona Fire and Medical Authority

FIRE PROTECTION SERVICES AGREEMENT

This Fire Protection Agreement is made effective _____, between the Central Arizona Fire and Medical Authority, a political subdivision of the State of Arizona, hereinafter referred to as "AGENCY" and _____, hereinafter referred to as the "Applicant." The property under consideration is described as:

Street Address:

Mailing Address:

Contact Phone Number:

Yavapai County Assessor's Parcel Number:

IT IS THEREFORE MUTUALLY UNDERSTOOD AND AGREED AS FOLLOWS:

1) Purpose. AGENCY shall provide fire protection and limited emergency medical services under the terms of this Agreement.

2) Duration and Renewal. The effective term of this Agreement shall be from _____ through **June 30, 2019**. The provisions of this Agreement shall renew automatically on July 1 of each year for consecutive one-year terms, unless either party pursues termination of the Agreement pursuant to Paragraph 11.

3) Services Provided. Fire Suppression, Emergency Rescue, and limited Emergency Medical Services (collectively "Emergency Services") will be provided under this Agreement. Unless the Incident Commander (senior AGENCY Officer present) requests additional help, AGENCY shall provide a standard response as determined by AGENCY dispatch protocols on each emergency call from the Applicant, subject to conditions below.

It is intended that the Emergency Services provided under this Agreement shall be made available to the individuals residing at the property described in the Preamble above (the "Property") or invitees of said residents (collectively, "Service Recipients") in conjunction with the above-referenced Property irrespective of whether the Property is owner-occupied or leased. While the Applicant shall be responsible for all fees assessed under this Agreement, AGENCY also reserves the right to invoice any actual Service Recipient for the services provided under this Agreement, according to the fee schedule adopted by AGENCY, as amended from time to time. Said billing shall be in addition to the service fee charged under this Agreement.

In providing services under this Agreement, AGENCY reserves the right to involve such other jurisdictions and EMS or suppression service providers as it deems necessary, consistent with its then current protocol. No assurances are made as to

whether, or to what extent, any such third party providers will respond. Applicant and Service Recipients may be responsible for any additional charges assessed by such other service providers.

Applicant herein acknowledges that AGENCY alone will determine its response to any given incident and that AGENCY alone will determine the number of units and personnel responding to such incident. Applicant further acknowledges that such response is subject to, among others and without limitation, any unforeseen circumstance, a major fire, other accidents, conflicting concurrent calls, reduction in force, road closure, poor road conditions, acts of God, or other situations in which there is a shortage of manpower or equipment. Applicant understands that the response time will likely be extended beyond that which might be regularly expected elsewhere within the jurisdictional boundaries of AGENCY by reason of the distance to and isolation of the Applicant's Property, the limited manpower available, access limitations, road conditions, and the other calls within AGENCY that may take priority, and Applicant hereby consents to the same. In addition, Applicant acknowledges and agrees that AGENCY's response and effectiveness may be limited by a lack of adequate water supply.

Applicant acknowledges and agrees that AGENCY may, in its sole discretion, give priority to other emergency calls either within AGENCY's jurisdictional boundaries or outside AGENCY boundaries, potentially causing a delay in response time. Further, Applicant acknowledges and agrees that AGENCY may, in conjunction with any call to the Property, respond with insufficient equipment or manpower on occasion, either by reason of limited manpower, equipment availability, resource allocation, or by reason of the limited information having been made available to AGENCY in conjunction with the determination of the appropriate response.

Applicant hereby acknowledges that no assurances are given or warranties made as to the response time or service level that will be offered, and agrees to hold the AGENCY harmless from and indemnify AGENCY for any and all damages which might be incurred by Applicant, Service Recipient, to Applicant's Property or to any third party's property or person, including that of any Service Recipient, by reason of extended response times, reduced equipment or manpower response, the decision to involve other service providers, failure to involve other jurisdictions or service providers, AGENCY's decision to allocate resources elsewhere either inside or outside of AGENCY's jurisdictional boundaries, the allocation of manpower or equipment, or other operational decisions which might result in delay or additional loss of life or property.

Further, Applicant acknowledges and agrees that AGENCY shall not be liable for the negligent act or omission of any third party service provider. Applicant also agrees that AGENCY is under no obligation to transport any Service Recipient. Applicant acknowledges that AGENCY does not hold a Certificate of Necessity and does NOT provide ambulance or non-emergency transport services, and that transport services are typically provided through a third party. Applicant, Service Recipient, or both, shall be solely responsible for any and all expenses associated with any transport services utilized by either.

4) Response Time. AGENCY shall make reasonable efforts to respond to Applicant's emergency calls in a manner consistent with then-current agency protocol, subject to the terms and conditions set forth in this Agreement. Applicant hereby acknowledges that response times are subject to variations due to existing weather conditions, road conditions, travel distance, traffic conditions, property identification, conflicting responses, equipment and manpower availability or allocation, and access to Applicant's Property. Applicant acknowledges that because of the substantial distance involved, the minimum response time likely to be experienced by Applicant may exceed that of other recipients within the jurisdictional boundaries of AGENCY, and that no assurances are given by the AGENCY as to what ISO rating might apply to the Applicant's Property.

5) Routing Information. Applicant agrees that it shall provide AGENCY with current routing information to Applicant's Property in a form acceptable to AGENCY Fire Chief, and will endeavor to inform all occupants of subject Property of the proper procedures to follow in case of fire.

6) Access. Applicant hereby specifically acknowledges that standard access roads sufficient to allow AGENCY fire equipment to reach the scenes of emergency calls are a significant factor in AGENCY's ability to respond to emergency calls within a reasonable and expeditious time. If access roadways are not maintained by other public service agencies, the responsibility of providing and maintaining adequate access rests solely with Applicant. Applicant hereby agrees to hold AGENCY harmless from and to fully indemnify AGENCY for any liability or damages arising from any delay which might occur by reason of limited, inadequate or poorly maintained access, inadequate address or access description, or failure of Applicant or the Property to comply with applicable fire codes, building codes, zoning codes or recommendations or requirements made by any agency or AGENCY.

Applicant hereby grants to AGENCY the right of ingress and egress and to enter upon Applicant's Property for purposes of conducting inspections to determine accessibility, and to observe any other matters which may affect AGENCY's ability to provide services under this Agreement. Nothing herein shall be construed as requiring AGENCY to make any such inspection, or to require that AGENCY report to the Property owner in regard to any accessibility issues.

7) Compensation; Calculation; Payment. As consideration for AGENCY's provision of Emergency Services under this Agreement, Applicant shall pay to AGENCY a sum (the "Service Fee") equal to the amount which would be paid if the Applicant's Property was located in and taxable by the respective fire district (either the Central Yavapai Fire District or the Chino Valley Fire District) which would otherwise contract to provide such services to Applicant at that fire district's then current tax rate, any applicable bond debt servicing rates, plus an administrative fee equal to \$50.00 as modified from time to time. The Service Fee shall be owed to AGENCY by Applicant even if there is no current county tax assessed on the Property: by reason of the fact that the property is considered to be non-taxable; because no net assessed value has

been established; or for any other reason. In that event, for the purpose of calculating the Service Fee to be paid by the Applicant, 10% of the full cash value as indicated by the county assessor's office may be used as the assessed value, or if the full cash value is not available, the value of the property shall be established by way of appraisal conducted by a duly-licensed real estate appraiser provided by and solely at the cost of Applicant.

If the property is appraised, the assessed value will be 10% of the appraisal. The then current fire district tax rate shall be applied to said property value, plus any then-applicable bond debt service rates and an administrative fee equal to \$50.00. If for some reason the current assessed value information is unavailable, then the Service Fee under this contract, as renewed, will be equal to the Service Fee charged for the immediately preceding service year, plus 10%, until such time as the current property value information becomes available, at which time the fee for the then-current year shall be recalculated and an adjustment to the Service Fee made.

Payment shall be due when this Agreement is signed; alternatively, payment arrangements may be approved in the sole discretion of AGENCY for quarterly payments with the first payment being due and payable simultaneous with the execution of this Agreement and thereafter on the first day of each subsequent quarter. Any payment not received within 30 days of the due date will be considered in default and may result in the termination of this Agreement. For the initial term of the Agreement, the parties agree that the fee shall be \$«F17», but that such fee may be prorated (based on 12 months).

In the event of termination of this Agreement due to non-payment by Applicant of the agreed Service Fee within 30 days of due date, Applicant must reapply for Emergency Services pursuant to a new Agreement. In such event, the only option for payment under such new Agreement shall be for payment of all monies due in full at the time of execution of the new Agreement; other payment arrangements will only be considered upon renewal of the Agreement after completion of the initial term of the new Agreement.

The Service Fee paid to AGENCY by Applicant pursuant to this Agreement shall be considered earned by AGENCY when paid, and shall not be conditioned upon or modified by reason of the number of responses made by AGENCY to the Applicant's property during the term of this Agreement. While Applicant shall be responsible for all Service Fees assessed under this Agreement, AGENCY also reserves the right to invoice any actual Service Recipients for the services provided under this Agreement according to the then-current fee schedule adopted by AGENCY, as amended from time to time. Said invoice shall be in addition to any Service Fee due under the terms of this Agreement.

8) Insurance. Applicant shall provide AGENCY with a current certificate of liability and hazard insurance, together with the name and address of insurance agent, name of insurance company providing coverage, and insurance policy number.

9) Waiver and Disclaimer of Liability. Applicant agrees that AGENCY shall not be liable for any consequential damages to Applicant or any Service Recipient, including but not limited to any lost income or profits suffered by Applicant or any Service Recipient. In consideration of AGENCY's agreement to provide services under the terms of this Agreement, Applicant agrees to hold AGENCY harmless and hereby releases AGENCY from and indemnifies AGENCY for any and all claims, demands, liability and causes of action that may arise as a result of AGENCY providing the services described herein. Applicant specifically agrees to hold AGENCY harmless from, in addition to the foregoing, any claims, demands, liability or causes of action which might arise out of AGENCY's inability to provide, or any delay or limits in providing services, due in whole or in part to the conditions spelled out in Sections 3, 4, 5, and 6 of this Agreement.

10) No Third-Party Beneficiaries. This Agreement will be for the benefit of the parties named herein only and shall not be construed as having been entered into for the benefit of any third party.

11) No Warranties. Nothing herein shall be construed as a warranty by AGENCY against damages, whether to real property or personal property, which may result by way of fire, injury to a person, by accident or any other emergency occurring on Applicant's Property.

12) Limitation of Damages. In the event of breach or non-performance by AGENCY, Applicant's sole remedy shall be limited to the termination of this Agreement and refund of any unearned fees for that current contract year, the parties hereto having agreed that said fees are a reasonable amount of damages. This limitation of damages shall bind, without limitation, Service Recipients, family members, legal representatives, assigns and successors in interest of the Applicant. The waiver, hold harmless and indemnification provisions of this Agreement are for the benefit of AGENCY and shall survive the termination of this Agreement.

13) Termination. Either party may terminate this Agreement by thirty (30) days' written notice of termination delivered to the other party at these addresses:

For AGENCY:

Central Arizona Fire and Medical Authority
8603 E. Eastridge Drive
Prescott Valley, AZ 86314

For Applicant:

In the event of termination of this Agreement after the Applicant has paid the required payment due for that term, AGENCY shall return funds to the Applicant prorated on a per day basis for the period after the date of termination.

In the event Applicant sells the subject property or otherwise disposes of the same, this Agreement will terminate immediately upon notification from the Applicant of same; provided, however, that the indemnification requirements imposed on Applicant under this Agreement for incidents occurring during the term of this Agreement shall survive the termination hereof. Nothing herein shall prevent AGENCY from negotiating a new emergency services Agreement with the new owner of the subject property.

14) Cancellation Due to Conflict. AGENCY may cancel this Agreement pursuant to the mandates of A.R.S. §38-511.

15) Severability. If any provision of this Agreement shall be held to be unconstitutional, invalid, or unenforceable, it shall be deemed severable; however, the remainder of the Agreement shall not be affected and shall remain in full force and effect.

16) Fire Code Compliance. Applicant hereby specifically acknowledges that all operations and activities, as well as new construction, and remodel of structures when applicable, will be in compliance with AGENCY's adopted Fire Code.

The undersigned warrants to AGENCY that the Applicant has the power to enter into this Agreement and that all necessary acts have been taken to enter into this Agreement.

WHEREAS, CAFMA desires to sublease a portion of the Premises to Johnson, in accordance with the terms and conditions of this Sublease and the conditions of the Lease, for the continued use by Johnson (and Johnson's customers) of a solar-powered two-way radio and pager repeater telecommunications tower (collectively "Tower") and Utility Building ("Utility Building").

NOW THEREFORE, in consideration of the mutual covenants, conditions, and terms herein contained, it is agreed between the parties hereto, as follows:

1. Subleased Interests. Subject to any approval required by the State Land Commission, CAFMA hereby agrees to sublease to Johnson and Johnson does hereby sublease from CAFMA, as of the Effective Date, the right to access that portion of the Premises, described in **Exhibit "D"** attached hereto, for the purpose of providing telecommunication services to certain commercial clients of Sublessee, as identified with more particularity in **Exhibit "E"** attached hereto, which shall hereinafter be referred to collectively as the "Subleased Interests."

2. Use. The Subleased Interests shall be available to Johnson solely for the continued use of the Tower and Utility Building, and associated access and power, all located on the Premises, in a manner to support users authorized by CAFMA, and for Johnson's customers described in **Exhibit "E."** Johnson acknowledges that any such use shall be conditioned upon Johnson obtaining any needed consent of the State, county, or other applicable government authority, and that all use or improvements hereafter placed upon the Premises shall be subject to the approval of CAFMA, in its discretion. Johnson agrees that any use by Johnson or Johnson's customers may not interfere with the frequencies or service used by CAFMA or its permitted users.

3. Contingency. Johnson's Subleased Interests hereunder are conditioned upon any approval required by the Arizona State Land Department, including but not limited to any Special Land Use Permit ("SLUP") the Arizona State Land Department may require. It is also conditioned upon the approval of the State's approval of the Assignment to CAFMA.

4. Term. The initial Term of the Sublease shall commence upon the Effective Date and shall end on March 1st, 2023, or earlier on the termination or cancellation, for any reason, of the Lease. In the event the State Land Commission requires approval of the Sublease, and should the State Land Commission deny said Sublease request, this Sublease shall immediately terminate upon the date such denial is issued. In the event this Sublease is, for any reason, denied by the State, terminated, or for any other reason unavailable to Johnson, CAFMA shall be entitled to continue its right to the Lease, and its unabated use of the Premises and any improvements thereon. Johnson shall have the option to extend the Term of this Sublease to the extent the underlying term of the Lease (including the Lease term) is extended by CAFMA, for an additional five years, but in no event past March 1st, 2028. Any such extension of the Term shall be upon the same terms and conditions as set forth herein.

In the event Johnson transfers any interest whatsoever in any underlying site use agreements Johnson has with its customers, without the express approval of CAFMA, or in the event Brent Johnson, individually or through any Trust or entity controlled by him, transfers of any interest in The Radio Guy, LLC, without express approval of CAFMA, this Sublease and the associated Subleased Interests will terminate, and any obligations of CAFMA to Johnson and any rights of Johnson or Johnson's Customers to the Premises under this Sublease shall cease.

This Sublease shall also terminate in the event of the death of Brent Johnson, or his ceasing to serve as the President of The Radio Guy, LLC, Inc.

CAFMA may terminate this Sublease pursuant to the provisions of A.R.S. § 38-511.

5. Delivery of Subleased Interests. On the date the written approval of the Sublease request is granted by the State Land Commission, if required, or on the date first written above, whoever is later, CAFMA shall make available to Johnson, on a non-exclusive basis, the Subleased Interests to Johnson. CAFMA reserves the right of entry thereon in order to complete any obligations it may have under the Lease, to service any equipment or improvements on the Premises, and to provide, maintain, or expand on the telecommunication services which CAFMA currently provides for on the Premises or will provide in the future. Johnson acknowledges that it shall accept the Subleased Interests in an as-is condition and that Johnson is aware of the same.

6. Rent. The annual rent for the agreed upon Lease will begin at \$500. This amount is for the currently occupied tower and building space. If Johnson seeks to acquire additional onsite resources, whether tower, building, power, or otherwise, this amount will be adjusted accordingly and an addendum to this contract must be completed.

In addition to the annual rent costs, Johnson agrees to pay a one-time fee to cover the labor and materials for relocating all of Johnson's communications equipment in accordance with the Relocation of Equipment details found in **Exhibit "D"**.

7. Rent Increases. In addition to rent increases due to tower or building space increases, the rent fee will increase annually on the anniversary date of the contract according to the Western States Consumer Price Index (CPI).

8. Improvements and Alterations. In conjunction herewith, no installation, modification, alteration, refurbishment or improvement of equipment located on or placed on the Premises shall commence without submission of plans and explicit approval from CAFMA. Johnson will provide written request and submission of plans to CAFMA a minimum of 14 calendar days prior to any planned improvement or alteration by Johnson or Johnson's Customers. CAFMA shall have the opportunity to be in attendance at any installation, maintenance, inspection, modification, alteration, or refurbishment of any improvement of equipment located on or placed on the Premises.

If such maintenance requires a contractor or agent or employee of Johnson to climb the tower for said service, Johnson represents and warrants and shall cause its employees, agents, contractors, or subcontractors to represent and warrant that it and they are fully aware of and knowledgeable about the inherent danger of climbing or working above ground level, especially with regard to tower structures. Johnson warrants that any employees, agents, contractors, or subcontractors of Johnson that intend to climb the tower must be properly certified to do so. In furtherance thereof, Johnson shall require any employee, agent, contractor, or subcontractor to execute a Site Indemnification Agreement (in the form attached as **Exhibit "F"**) before accessing the Premises or Tower.

9. No Further Sublease. Johnson's current customers who sublease space are currently located on the Premises are listed on **Exhibit "E"** attached hereto. Johnson shall be entitled to continue to receive any compensation lawfully charged by Johnson to those customers, so long as Johnson is in compliance with the terms of the Sublease.

Except as expressly agreed to in writing by CAFMA, and subject to the approval of Lessor (if required), Johnson shall take no action to further sublease the Subleased Interests to, or allow use by any person or entity. However, subject to the approval by CAFMA, in its discretion, Johnson may replace any existing sublease customers in the event an existing customer cancels their current sublease or opts not to renew at the end of the lease term.

Any site leases, customer subleases, or other commitments made by Johnson to any third party as to the use of the Tower, space on the premises, space on the tower, space inside of a building, or access to the Premises shall be subject to the approval of CAFMA and subordinate to any interests of CAFMA, and may not interfere with the use of the site or the frequencies used by CAFMA or its authorized users.

Any newly proposed sublease or changes to current subleases must be submitted to CAFMA in writing 14 calendar days prior to any sublease additions, changes, or alterations.

10. Site Access. All unescorted access to the Premises by Johnson's Customers must be approved explicitly in writing from CAFMA. No customer of Johnson's shall be allowed unescorted access to the Premises unless this explicit approval has been granted. If unescorted access has not been granted, Johnson agrees to provide an escort to remain with the customer at all times while they are on the Premises.

Any and all access to the CAFMA Utility Building by any customer or subcontractor, must be approved explicitly by CAFMA and escorted by Johnson.

11. Removal of Unapproved Equipment. Any equipment located on the Premises that is owned, maintained, or operated by Johnson, or Johnson's customers that has not been expressly approved by CAFMA, must either be approved expressly by CAFMA in writing or removed from the Premises within 90 days of the execution of this contract.

12. Co-Location. CAFMA reserves the right to co-locate other users on the Premises and any Tower located thereon, where space is available and wherever non-interference to radio frequencies of Johnson and CAFMA can be assured.

13. Use of CAFMA Utility Building. For the Term of the Sublease, CAFMA shall permit Johnson use of space located in the Utility Building located on the Premises for the purpose of equipment installation, in the location of CAFMA's choosing.

14. Compliance With Laws. The Parties shall comply fully with all applicable laws, statutes, ordinances or regulations regarding operation of its programs and other use of the Subleased Interests, including (but expressly not limited to) all environmental regulations.

15. Indemnity. Johnson hereby expressly agrees to indemnify for and hold CAFMA, its Fire Chief, Board Members, employees, attorneys, agents and successors, harmless from and against all liabilities, obligations, damages, penalties, claims, causes of action, costs, charges and expenses (including attorney's fees and costs) which may be imposed upon or incurred by or asserted by reason of the following: any failure on the part of Johnson, its agents, employees, contractors or subcontractors, to perform or comply with any of the provisions of this Sublease or the Lease; except that Johnson shall have no obligation to indemnify CAFMA against CAFMA's intentional conduct or active negligence.

In no event shall CAFMA be liable for any losses suffered by Johnson or Johnson's customers in the event of an interruption of access, power or services to the Premises, including but not limited any claim for lost profits. Johnson shall require that any customer sign a statement to that effect, and Johnson shall indemnify CAFMA against any such claim.

16. Maintenance and Repairs. In accordance with the terms and conditions of the Lease and except for that portion of the Tower and building co-located with CAFMA, Johnson shall be solely responsible for maintaining and repairing the Subleased Interests; including any equipment, solar panels, batteries or like equipment installed and/or used by Johnson's Customers.

17. Damage or Destruction. In the event of damage or destruction of any portion of the Subleased Interests, CAFMA shall have the right to terminate the Sublease and the rights of any user co-located on the Tower.

18. Utility Fees, Taxes and Assessments. In accordance with the Lease, CAFMA shall pay for and maintain all communication, electric, gas, and other utilities to the Premises. Johnson shall be solely responsible for any taxes and assessments applied to equipment or that portion of the Premises used by Johnson or Johnson's customers.

19. Encumbrances. Any proposed pledge, mortgage, contract lien, assignment, or transfer, of all or part of Johnson's interest in the Subleased Interests must first be approved in writing by CAFMA, and must otherwise comply with the terms and conditions of the Lease. Any encumbrance not approved by CAFMA and in accordance with the Lease shall be void. Any document used to encumber the Subleased Interests shall incorporate the provisions of this Sublease and the Lease.

20. Non-appropriation. This Agreement shall be subject to available funding for CAFMA, and nothing in this Agreement shall bind CAFMA to expenditures in excess of funds appropriated and allotted for the purposes outlined in this Agreement

21. Entry By CAFMA. CAFMA reserves the right, upon 10 days written notice to Johnson of its intent to do so, to enter upon any portion of the Subleased Interests at reasonable times for the purpose of inspecting said Subleased Interests. Johnson acknowledges that provisions of the Lease may require entry onto the Subleased Interests by Lessor.

22. Covenants of Johnson. Johnson covenants, represents and warrants to CAFMA as follows:

As-Is Condition. Johnson acknowledges that it has had adequate opportunity to inspect the Subleased Interests and consents and agrees to enter, lease, occupy and use the same in their condition, "as-is" on the date first-above written.

Environmental. Johnson covenants that it has not caused and is not aware of the discharge of any hazardous materials (as defined in the Lease) onto the subject property existing by reason of Johnson prior use of the Premises or the conduct of its customers and hereby agrees to indemnify CAFMA against any damages or expenses resulting therefrom.

23. Covenants of CAFMA. CAFMA covenants and agrees as follows:

Lease Provisions. CAFMA shall duly observe and perform those obligations imposed upon it under the Lease to the extent that such obligations are not provided in this Sublease to be observed or performed by Johnson.

Quiet Enjoyment. CAFMA covenants that Johnson shall peaceably and quietly hold and enjoy the Subleased Interests so long as Johnson is not in default hereunder.

24. Signage. Any exterior signage installed by Johnson on the Subleased Interests shall comply in all respects with applicable technical building codes and zoning codes, as well as the Lease.

25. Legal Arizona Workers Act Compliance. Johnson warrants that it will, at all times during the terms of this Sublease, comply with all federal immigration laws applicable to the employment of its respective employees, the requirements of A.R.S. §41-4401, and with the e-verification requirements of A.R.S. §23-214(A) (together the "state and federal immigration laws"). Johnson further agrees to ensure that each subcontractor that performs any work under this Agreement likewise complies with the state and federal immigration law.

A breach of a warranty regarding compliance with the state and federal immigration laws shall be deemed a material breach of the Sublease and the parties who breach may be subject to penalties up to and including termination of the Sublease.

26. CAFMA retains the legal right to inspect the papers of any contractor or subcontract employee working under the terms of the Sublease to ensure that the other party is complying with the warranties regarding compliance with the state and federal immigration laws.

27. Non-Discrimination: Company warrants that it complies with any state and federal laws, rules and regulations which mandate that all persons, regardless of race, color, creed, religion, sex, genetic information, age, national origin, disability, familial status or political affiliation, shall have equal access to employment opportunities, including but not limited to the Americans with Disabilities Act. If the removal or destruction of plants protected under the Arizona Native Plant Law is necessary to the use of the Parcel, Lessee shall also obtain the prior written approval of the Arizona Department of Agriculture.

4.6 Conformity to Law. Lessee shall not use or permit the Premises to be used in any manner that is not in conformity with all applicable Federal, State, County and municipal laws, rules and regulations, unless Lessor determines and advises Lessee in writing otherwise.

Except as provided in Article 4.5 (Conformity to Law), failure to obtain, or loss of any governmental approval that is prerequisite to the use for which this lease is issued or that is necessary to construct, maintain or operate any facilities on the site in connection with that use, shall constitute a breach of this lease, subject to the provisions of Article 17 (Lessee Defaults and Lessor's Remedies).

4.8 Reservations. Lessor excepts and reserves from the Parcel all oil, gases, geothermal resources, coal, ores, limestone, minerals, fossils, and fertilizers of every name and description that may be found in or upon the Parcel, and Lessor reserves the right to enter upon the Parcel for the purpose of prospecting therefor, or extracting any or all of

Lessor, its duly authorized agents, employees and representatives shall have the right at all times during the term of this Lease and for either (i) five (5) years thereafter; or (ii) until the conclusion of any dispute, whichever is later, to make reasonable examination of those books, records or other material in order to obtain information which Lessor deems necessary to administer this Lease.

ARTICLE 6

CONSTRUCTION AND IMPROVEMENTS

6.1 **Definitions.** "Improvements" means anything permanent in character which is the result of labor or capital expended by Lessee or his predecessors in interest on State land in its reclamation or development, and which has enhanced the value of the Parcel. "Removable Improvements" means anything not permanent in character which is the result of labor or capital expended by Lessee or his predecessors in interest on State land.

6.2 **Prior Approval Required.** Lessee shall not place or construct or permit to be placed or constructed any Improvement or Removable Improvement on or to the Parcel, other than:

Telecommunication facilities, including: Telecommunications tower and ancillary equipment as allowed by zoning.

All other improvements are prohibited. Prior to applying for a building permit from the local government authority or prior to beginning of the construction if no permit is required, Lessee shall submit a current *Application To Place Improvement* ("Application"). No construction shall begin until Lessor approves in writing the *Application*. The *Application* shall include plans and specification (including but not limited to grading, construction and landscape plans) showing the nature, location, approximate cost, and quality of the proposed Improvements. Drainage, waste water, and sewage plans must be submitted with the *Application*. Plans submitted must be stamped by an Arizona registered engineer or architect. The work shall be completed by an Arizona registered contractor. The location of completed Improvements, as-built construction plans stamped by an Arizona registered engineer or architect, and any other information required by Lessor, shall be submitted to Lessor within thirty (30) days following the completion of construction on Lessor's form known as a *Report of Improvement Placed With Prior Approval*. Any Improvements placed on the Parcel shall conform to existing laws and ordinances applicable to the proposed construction in the jurisdiction where the Premises are located, unless Lessor determines and advises Lessee in writing that such conformity is not in the best interest of the Trust.

6.3 **Utilities; New Construction.** Gas, electric, power, telephone, water, sewer, cable television and other utility or service lines of every nature shall be placed and kept underground unless Lessor grants prior written approval otherwise. All buildings and structures shall be of new construction and no buildings or structures shall be moved from any other location onto the Parcel without Lessor's prior written approval.

6.4 **Annual Statement.** Upon request, but not more frequently than once a year, Lessee shall file with Lessor a sworn statement setting forth the description of any Improvement(s) placed on the Parcel during the prior lease year and the actual cash value of such Improvement(s).

6.5 **Ownership; Removal.** All Improvements placed upon the Parcel by Lessee shall be the property of the Lessee subject to the terms of this Lease, and shall, unless they become the property of the Lessor, be subject to assessment for taxes in the name of the Lessee, the same as other property of the Lessee. Not later than ninety (90) days following the expiration of this Lease, or, subject to A.R.S. § 37-289.B, sixty (60) days following the cancellation of this Lease, Lessee may remove those Improvements which belong to it, are free of any liens and can be removed without causing injury to the Parcel. At its option, Lessor may waive any of the above listed prerequisites to Lessee's removal of Improvements. Lessee may, with Lessor's prior written approval and within the time allowed for removal, sell its Improvements to the succeeding Lessee.

6.6 **Forfeiture.** Improvements made on or to the Premises without Lessor's prior written approval shall constitute a breach of this Lease and the Improvements shall forfeit to Lessor. This shall be in addition to any other remedies Lessor may have against Lessee pursuant to this Lease, or in law or in equity.

6.7 **Improvements Dedicated to Public Use.** Lessee shall have no right to reimbursement for Improvements that are (or required to be) dedicated or otherwise committed or transferred to public use, regardless of acceptance by the public jurisdiction.

ARTICLE 7

REPAIRS AND MAINTENANCE

7.1 **Lessee's Obligations.** Lessor shall be under no obligation to maintain, repair, rebuild or replace any Improvement on the Parcel. Lessee shall, subject to the provisions of Article 12 (Damage) and Article 15 (Eminent Domain) and at its own expense, keep and maintain the Premises in good order, condition and repair in conformity with all governmental requirements and if applicable, those of the insurance underwriting board or insurance inspection bureau having jurisdiction over the Premises, unless Lessor determines and advises Lessee in writing that such conformity is not in the best interest of the Trust.

ARTICLE 8

MECHANICS' LIENS

8.1 **Payment; Indemnity.** Lessee shall be responsible for payment of all costs and charges for any work done by or for it on the Premises or in connection with Lessee's occupancy thereof, and Lessee shall keep the Premises free and clear of all mechanics' liens and other liens and encumbrances resulting from work done for Lessee or persons claiming under it; provided, however, that Lessee may in good faith, and with reasonable diligence, contest or dispute any such lien claims in any appropriate forum so long as this Lease or the Leased Parcel are not actually in danger of levy or sale. Lessee expressly

agrees to and shall indemnify and save Lessor harmless against liability, loss, damages, costs, attorney's fees and all other expenses on account of claims of lien or other encumbrances of laborers or material men or others for work performed or materials or supplies furnished to Lessee or persons claiming under it. Further, any contracts between Lessee or sublessees and any contractors and subcontractors shall expressly hold Lessor harmless against any liability arising from such contracts, as described above.

8.2 Notice. Should any such claims of lien or other encumbrances be filed against the Parcel or any action affecting the title to the Parcel be commenced, the party receiving notice of such lien or action shall immediately give the other party written notice thereof.

ARTICLE 9

UTILITIES

9.1 Lessee's Obligations. Lessee shall be responsible for and shall hold Lessor harmless from any liability for all charges for water, gas, sewage, electricity, telephone and any other utility service.

ARTICLE 10

TAXES AND ASSESSMENTS

10.1 Lessee's Obligations. In addition to the rent set herein, Lessee shall timely pay and discharge, without deduction or abatement for any cause, all duties, taxes, charges, assessments, impositions and payments, extraordinary as well as ordinary, unforeseen as well as foreseen, of every kind and nature (under or by virtue of any current or subsequently enacted law, ordinance, regulation or order of any public or governmental authority), which during the term are due, imposed upon, charged against, measured by or become a lien on (i) the Premises; (ii) any Leasehold interest; (iii) the interest of any of the parties to this Lease or in proceeds received pursuant to this Lease; and (iv) the rent paid pursuant to this Lease.

ARTICLE 11

INSURANCE AND INDEMNITY

11.1 Indemnity. Except to the extent occurring or existing prior to the Commencement Date hereof, Lessee hereby expressly agrees to indemnify and hold Lessor harmless, or cause Lessor to be indemnified and held harmless, from and against all liabilities, obligations, damages, penalties, claims, causes of action, costs, charges and expenses, including attorney's fees and costs, which may be imposed upon or incurred by or asserted against Lessor by reason of any: (i) accident, injury or damage to any person or property occurring on or about the Premises or any portion thereof; (ii) use, non-use or condition of the Premises or any portion thereof; or (iii) failure on the part of Lessee to

perform or comply with any of the provisions of this Lease; except that none of the foregoing shall apply to Lessor's intentional conduct or active negligence nor to the intentional conduct or active negligence of Lessor's agents, servants, contractors or subcontractors. If any action or proceeding is brought against Lessor by reason of any such occurrence, Lessee, upon Lessor's written request and at Lessee's expense, will resist and defend such action or proceeding, or cause the same to be resisted either by counsel designated by Lessee or where such occurrence is covered by liability insurance, by counsel designated by the insurer.

11.2 Policies. Lessee, at its expense, shall at all times during the Term of this Lease, and any extension thereof, maintain in full force a policy or policies of commercial general liability insurance, including bodily injury, property damage, personal injury and broad form contractual liability coverage, written by one or more duly licensed (or approved non-admitted) insurers in the State of Arizona with an "A.M. Best" rating of not less than A-VII, and each policy shall be written on an occurrence basis, which insure Lessee and Lessor against liability for injury to persons and property and death of any person or persons occurring in, on or about the Premises, or arising out of Lessee's maintenance, use and occupancy thereof. All commercial general liability and personal property damage policies shall contain a provision that Lessor, named as an additional insured, shall be entitled to recovery under the policies for any loss occasioned to it, its servants, agents and employees by reason of the negligence or wrongdoing of Lessee, its servants, agents and employees or sublessee. Further, the policies shall provide that their coverage is primary over any other insurance coverage available to the Lessor, its servants, agents and employees as relates to the negligence of Lessee. All policies of insurance must contain a provision or endorsement that the company writing the policy shall give to Lessor thirty (30) days notice in writing in advance of any cancellation or lapse, or the effective date of any reduction in coverage.

11.3 Amounts. The insurance as described in Paragraph 11.2 (Policies) herein shall afford protection not less than:

General Aggregate:	\$2,000,000.00
Personal Injury:	\$1,000,000.00
Each Occurrence:	\$1,000,000.00
Blanket Contractual Liability - Written and Oral:	\$1,000,000.00
Fire Damage (Any one fire):	\$500,000.00

in combined single limits and each liability policy or policies shall be written on an occurrence basis; provided, however, that the minimum amount of coverage for the above shall be adjusted upward on Lessor's reasonable request to be made no more frequently than once every two (2) years so that such respective minimum amounts of coverage shall

not be less than the amounts then required by statute or generally carried on similarly improved real estate in the County herein described, whichever is greater. If at any time Lessee fails, neglects or refuses to cause such insurance to be provided and maintained, then Lessor may, at its election, procure or renew such insurance and any amounts paid therefore by Lessor shall be an additional amount due at the next date Rent is due and payable.

11.4 Blanket Policy. Notwithstanding anything to the contrary in this Article, Lessee's obligations to carry the insurance provided for herein may be brought within the coverage of a so-called blanket policy or policies of insurance maintained by Lessee, provided, however, that the coverage afforded Lessor will not be reduced by reason of the use of such blanket policy of insurance.

11.5 Copies. Lessee shall furnish Lessor with certificates of insurance (ACORD form or equivalent approved by Lessor) and shall at all times during the term of this Lease maintain with Lessor a current certificate of insurance. The State of Arizona, Arizona State Land Department, the lease number, and location description of the subject parcel are to be noted on the certificate of insurance. Lessor reserves the right to view the complete, certified copies of all insurance policies and endorsements required by this Lease at any time at Lessee's headquarters. In addition, if any claim made by Lessor is rejected by Lessee's insurance company, Lessor shall have the right to view the complete, certified copy of the applicable policy at Lessee's area headquarters. Lastly, Lessor shall have the right, at any time, to request a representation letter from Lessee's insurance agent in relation to any particular coverage referenced in this Lease.

ARTICLE 12

DAMAGE

12.1 Lessee's Obligations. If the Parcel or any building or other Improvement located thereon are damaged or destroyed during the term of this Lease, Lessee may arrange at its expense for the repair, restoration and reconstruction of the same substantially to its former condition, but such damage or destruction shall not terminate this Lease or relieve Lessee from its duties and liabilities hereunder.

ARTICLE 13

TRADE FIXTURES AND PERSONAL PROPERTY

13.1 Lessee's Property. Any trade fixtures, signs, store equipment, and other personal property installed in or on the Parcel by Lessee or any sublessee shall remain its property subject to the provisions of this Lease. Lessee shall have the right, provided it is not then in breach hereunder, at any time to remove any and all of the same, subject to the restrictions of Article 6.5 (Ownership; Removal).

ARTICLE 14

ASSIGNMENT, SUBLETTING AND ENCUMBRANCE

14.1 Prior Approval Required. Lessee shall not assign this Lease or any interest therein, nor shall Lessee sublease any portion or all of the Premises without obtaining Lessor's prior written approval. In no event may this Lease or any interest therein be assigned or sublet unless Lessee is in full compliance with this Lease. Lessor may require additional rent in consideration for approval of any sublease. Lessee shall not enter into a contract of sale, mortgage, lien or other encumbrance affecting this Lease unless a copy is filed with Lessor. Sublease approval shall be contingent upon the proposed sublessee obtaining and complying with the terms of a Special Land Use Permit ("SLUP") for the sublessee's use of the Parcel and Premises. Sublease approval shall terminate automatically upon the expiration, or cancellation for any reason including non-renewal, of the SLUP.

14.2 Consent Required. An assignment of this Lease shall not be made without the consent of all the parties. Lessee may assign all or a portion of the Premises as allowed by the terms of this Article provided Lessee shall assign Lessee's entire interest in that portion of the Premises.

14.3 Purpose. There shall be no assignment or sublease made except to an assignee or sublessee that will use the Premises for the purpose(s) described herein.

14.4 Lessee Primarily Responsible. Notwithstanding any sublease, Lessee shall remain responsible to Lessor for the performance of the provisions of this Lease.

14.5 Entire Interest. The assignment of Lessee's entire interest in a portion of the Premises shall not relieve Lessee of its responsibility to Lessor for the performance of the provisions of this Lease as it relates to that portion of the Premises not transferred by the assignment.

ARTICLE 15

EMINENT DOMAIN

15.1 Expiration. If at any time during the duration of this Lease the whole or any part of the Parcel is taken by direct sale, lease, institutional taking under A.R.S. § 37-441 or acquisition in any manner through condemnation proceedings or otherwise, for any quasi-public or public purpose by any person, private or public corporation, or any governmental agency having authority to exercise the power of eminent domain or condemnation pursuant to any law, general, special or otherwise, this Lease shall expire on the date when the Parcel is taken or acquired except as otherwise provided.

15.2 Partial Taking; Damages; Rent. In the event of a partial taking and if Lessor determines that it is in the best interest of the Trust, the Lease may continue in full force and effect for that portion of the Parcel not taken. As against Lessor, Lessee and any

sublessee shall not have a compensable right or interest in the real property being taken and shall have no compensable right or interest in severance damages which may accrue to the remainder of the Parcel not taken, nor shall Lessee or any sublessee have any compensable right or interest in the remaining term of this Leasehold or any renewal. Rent shall be apportioned as of the day of such taking. Lessor shall be entitled to and shall receive any awards, including severance damage to remaining state lands, that may be made for any taking concerning the Parcel.

15.3 Lessee's Rights to Award. In the event of any taking, Lessee shall have the right to receive any and all awards or payments made for any building or other Improvements on the lands fully placed on the Parcel by Lessee with Lessor's prior written approval.

ARTICLE 16

BANKRUPTCY AND INSOLVENCY

16.1 Lessor's Rights. If (i) all or substantially all of Lessee's assets are placed in the hands of a receiver, and such receivership continues for a period of thirty (30) days; or (ii) should Lessee make an assignment for the benefit of creditors; or (iii) should Lessee institute any proceedings under any present or future provisions of the Bankruptcy Code or under a similar law wherein Lessee seeks to be adjudicated as bankrupt, or to be discharged of its debts, or to effect a plan of liquidation, composition or reorganization; or (iv) should any involuntary proceedings be filed against Lessee under such bankruptcy laws and not be dismissed or otherwise removed within ninety (90) days after its filing, then this Lease shall not become an asset in any of such proceedings or assignment. In addition to all other rights and remedies of Lessor provided hereunder or by law, Lessor shall have the right to declare the term of this Lease at an end and to re-enter the Premises, take possession and remove all persons, and Lessee shall have no further claim on the Parcel under this Lease.

ARTICLE 17

LESSEE DEFAULTS AND LESSOR'S REMEDIES

17.1 Conditions. All of the provisions of this Lease are conditions. Breach of any one of these conditions by Lessee or any sublessee shall be sufficient grounds for cancellation of this Lease by Lessor, subject to the other provisions of this Article.

17.2 Cancellation. If Lessee fails to keep any provision of this Lease, Lessor may cancel this Lease and declare Lessee's interest forfeited, and if it appears that this Lease was procured through fraud, deceit or willful misrepresentation, the Improvements shall be forfeited to the State. Lessor shall be forever wholly absolved from liability for damages

which might result to Lessee or any sublessee on account of this Lease having been canceled or forfeited prior to the expiration of the full term, subject to the other provisions of this Article.

17.3 Breach. In the event of a breach of this Lease which is not curable or remains uncured after thirty (30) days notice by Lessor of failure to pay rent, taxes or other assessments, and forty-five (45) days from the receipt of the notice to cure any other curable default, to Lessee of the breach, Lessor may, in addition to all other remedies which may be available to Lessor in law or in equity, (i) enter and repossess the Premises or any part thereof, expelling and removing therefrom all persons and property (either holding such property pursuant to Lessor's landlord's lien, or storing it at Lessee's risk and expense, or otherwise disposing thereof), as to which Lessor shall not be liable to Lessee or any sublessee for any claim for damage or loss which may thereby occur, and (ii) either (a) terminate this Lease, holding Lessee liable for damages for its breach or (b) treat the Lease as having been breached anticipatorily and the Premises abandoned by Lessee without thereby altering Lessee's continuing obligations for the payment of rent and the performance of those Lease provisions to be performed by Lessee during the Lease term.

17.4 Liquidated Damages. If Lessor terminates this Lease for Lessee's breach, Lessee shall be liable to Lessor, as liquidated damages and not as a penalty, an amount, which at the time of such termination, represents the amount equal to the rent due for the two (2) subsequent lease years. The liquidated damages will compensate Lessor for the loss of rent from the parcel due to the default and costs incurred to re-lease the Premises.

17.5 Expenses. Lessee shall pay to Lessor upon demand all costs, expenses and fees, including attorneys' fees (or market value of attorney's fees) which Lessor may incur in connection with the exercise of any remedies on account of or in connection with any breach by Lessee, plus interest on all amounts due from Lessee to Lessor at the rate set by the Arizona State Treasurer, according to law.

17.6 Remedies not Exclusive. The remedies herein granted to Lessor shall not be exclusive or mutually exclusive and Lessor shall have such other additional remedies against Lessee as may be permitted in law or in equity at any time; provided, however, Lessor shall not be relieved of any obligation imposed by law for mitigation of damages, nor shall Lessor recover any duplicative damages, and Lessee shall be reimbursed by any subsequent Lessee or purchaser of the Premises for any amount by which the value of Lessee's Improvements exceed Lessor's damages, notwithstanding any other provision in this Lease to the contrary. In particular, any exercise of a right of termination by Lessor shall not be construed to end or discharge any right of Lessor to damages on account of Lessee's breach.

17.7 No Waiver. No waiver of breach of any provision of this Lease shall be construed as a waiver of succeeding breach of the same or other provisions.

ARTICLE 18

HOLDING OVER

18.1 **Prohibition.** There shall not be any holding over by Lessee or any assignee or sublessee, upon the expiration or cancellation of this Lease without Lessor's prior written consent. If there be any holding over by Lessee or any assignee or sublessee, the holding over shall give rise to a tenancy at the sufferance of Lessor upon the same terms and conditions as are provided for herein with a rent for the holdover period commensurate with, but in no event less than, the previous year's rent.

18.2 **Renewal Application.** An application to renew this Lease, properly and timely filed, may give rise to a period of interim occupancy if the term of this Lease expires prior to execution of a new lease or the denial of the application to renew.

18.3 **Interim Occupancy Conditions.** Should interim occupancy occur, on or before the expiration of this Lease, and annually thereafter, Lessee shall pay rent established by Lessor (subject to A.R.S. § 37-215(b)). Unless advised in writing by Lessor to the contrary, all other terms and conditions of this Lease shall remain in full force and effect.

ARTICLE 19

ENCUMBRANCES

19.1 **Rights.** Lessee, and its successors and assigns, shall have the unrestricted right to mortgage and pledge this Lease, subject, however, to the limitations of this Section. Any such mortgage/deed of trust or pledge shall be subject and subordinate to the rights of Lessor, and nothing in this Lease shall be construed to impose upon Lessor any obligation or liability with respect to the payment of any indebtedness to any holder of a mortgage/deed of trust or pledge of this Lease.

19.2 **Term.** The term of any leasehold mortgage or deed of trust shall not be longer than the remaining lease term.

19.3 **Registration.** No holder of a mortgage/deed of trust on this Lease shall have the rights or benefits provided by this Article nor shall the provisions of this Article be binding upon Lessor, unless and until the name and address of the holder of the mortgage/deed of trust is registered with Lessor.

19.4 **Of Record.** If Lessee, or Lessee's successors or assigns, shall mortgage this Lease in compliance with provisions of this Article, then so long as any such mortgage/deed of trust of record remains unsatisfied, the following provisions shall apply:

(a) Lessor, upon giving Lessee any notice of default, or any other notice under the provisions of or with respect to this Lease, shall also give a copy of such notice to the registered holder of a mortgage/deed of trust on this Lease.

(b) Any holder of such mortgage/deed of trust, in case Lessee shall have a monetary default hereunder, shall, within thirty (30) days from the receipt of notice have the right to cure such default, or cause the same to be cured, and Lessor shall accept such performance by or at the instance of such holder as if the same had been made by Lessee, all as provided in A.R.S. § 37-289 (A)(2).

(c) Nothing herein contained shall preclude Lessor, subject to the provisions of this Article, from exercising any rights or remedies under this Lease with respect to any other default by Lessee during the pendency of any foreclosure or trustee's sale proceedings.

(d) Any holder of such mortgage/deed of trust, in case Lessee shall have a default other than a default involving failure to pay rent, taxes or other assessments, shall have forty-five (45) days from the receipt of notice to cure any curable default.

(e) No failure on the part of Lessor to give the required notice of default to the holder of a mortgage/deed of trust shall be deemed a waiver of Lessor's continuing right to give notice of the default.

(f) Upon foreclosure of the mortgage or deed of trust, Lessor shall assign this Lease to the holder of the mortgage or deed or trust if all taxes rent and assessment payments are current. Nothing herein contained shall be deemed to obligate Lessor to deliver physical possession of the demised Premises to the assignee under any assignment entered into pursuant to this paragraph.

(g) No agreement between Lessor and Lessee modifying, canceling or surrendering this Lease shall be effective without the prior written consent of the registered mortgagees and lienholders.

(h) No union of the interest of Lessor and Lessee shall result in a merger of this Lease in the fee interest.

(i) If a default is not cured within the applicable time period, Lessor may issue an order canceling the Lease. If a cancellation order is issued, the order shall not become final until any foreclosure action by a mortgagee or other lienholder, registered with Lessor pursuant to this Article, is finally resolved, if the mortgagee or lienholder does both of the following:

(1) Within thirty (30) days of the date of issuance of a Notice of Default, files written notice with Lessor of its intent to proceed with a foreclosure action, and;

(2) Within one hundred twenty (120) days of the date of issuance of a Notice of Default, has commenced either a foreclosure action in court or a nonjudicial foreclosure of a deed of trust, and has provided Lessor with a certified copy of the complaint or other document that officially commences the foreclosure process, and thereafter prosecutes the foreclosure with reasonable diligence.

19.5 Casualty Loss. A standard Mortgage Clause naming each leasehold mortgagee may be added to any and all insurance policies required to be carried by Lessee hereunder on condition that the insurance proceeds are to be applied in the manner that is not in derogation of Lessor's rights; except that the leasehold mortgage may provide a manner for the disposition of such proceeds, if any, otherwise payable directly to Lessee (but not such proceeds, if any, payable jointly to Lessor and Lessee) pursuant to the provisions of this Lease.

ARTICLE 20

ENVIRONMENTAL MATTERS

20.1 Definition of Regulated Substances and Environmental Laws. For purposes of this Lease, the term "Environmental Laws" shall include but not be limited to any relevant federal, state or local environmental laws, and the regulations, rules and ordinances, relating to environmental matters, and publications promulgated pursuant to the local, state, and federal laws and any rules or regulations relating to environmental matters. For the purpose of this Lease, the term "Regulated Substances" shall include but not be limited to substances defined as "regulated substance," "solid waste," "hazardous waste," "hazardous materials," "hazardous substances," "toxic materials," "toxic substances," "inert materials," "pollutants," "toxic pollutants," "herbicides," "fungicides," "rodenticides," "insecticides," "contaminants," "pesticides," "asbestos," "environmental nuisance," "criminal littering," or "petroleum products" as defined in Environmental Laws.

20.2 Compliance with Environmental Laws. Lessee shall strictly comply with all Environmental Laws, including, without limitation, water quality, air quality; and handling, transportation, storage, treatment, or disposal of any Regulated Substance on, under, or from the Premises. Without limiting the foregoing, compliance includes that Lessee shall: (1) comply with all reporting obligations imposed under Environmental Laws; (2) obtain and maintain all permits required by Environmental Laws, and provide a copy to Lessor within ten (10) business days of receipt of the lease; (3) provide copies of all documentation required by Environmental Laws to Lessor within ten (10) business days of Lessee's submittal and/or receipt of the documentation; (4) during the term of Lease, provide copies of all information it receives or obtains regarding any and all environmental matters relating to the Premises, including but not limited to environmental audits relating to the Premises regardless of the reason for which the information was obtained or whether or not the information was required by Environmental Laws; (5) prevent treatment, storage, disposal, handling or use of any Regulated Substances by Lessee and its agents,

employees and contractors within the Premises without prior written authorization from Lessor. Lessee shall use commercially reasonable efforts to preclude use of Lessee's portion of the Premises by unauthorized persons.

20.3 Designated Compliance Officer. Lessee at all times shall employ or designate an existing employee (the "Designated Compliance Officer") who is responsible for knowing all Environmental Laws affecting Lessee and Lessee's business and monitoring Lessee's continued compliance with applicable Environmental Laws. Upon request by Lessor, Lessee shall make the Designated Compliance Officer available to discuss Lessee's compliance, answer any questions, and provide such reports and confirming information as Lessor may reasonably request.

20.4 Audit. At any time, Lessor may request Lessee to provide an environmental audit of the Premises performed by an Arizona registered professional engineer or an Arizona registered geologist. Lessee shall pay the entire cost of the audit.

20.5 Environmental Assessment. At any time, during the term of the Lease, Lessor may require Lessee to obtain one Phase I environmental assessment of the Premises performed by an Arizona registered professional engineer or an Arizona registered geologist. If based upon the Phase I environmental assessment or its own independent investigation, Lessor identifies any possible violation of Environmental Laws or the terms of this Lease by Lessee or its agents, employees or contractors, Lessor may require Lessee to conduct additional environmental assessments as Lessor deems appropriate for the purpose of ensuring that the Premises are in compliance with Environmental Laws.
