- A. Legal Advice Pursuant to A.R.S. §38-431.03(A)(3) Regarding Marijuana Tax Payments

5. OLD BUSINESS

- A. Discussion and Possible Action Regarding Marijuana Tax Payments

Chief Tharp reminded the Board that Fire Authorities were not included in the marijuana tax legislation and are therefore not eligible to receive monies. A bill assignment has been proposed at the legislative level, but in the meantime, CAFMA has worked with Arizona Fire and Medical Authority (AFMA) on a solution. The State Treasurer's Office has approved that solution, and so Staff is recommending that the Boards approve the submission of the required letters to the Treasurer's Office. The funds will then be allocated to the Authority.

Attorney Cornelius joined at 4:34 p.m.

Attorney Cornelius inquired as to if Chief Tharp has received any feedback from PSPRS. Chief Tharp confirmed that PSPRS requested a census and, upon review, confirmed the correct number.

Director Gentle of the Chino Valley Fire District Board made a motion to approve the letter to be sent into the State Treasurer's Office. Clerk Dobbs seconded.

The motion passed unanimously.

Director Anderson of the Central Yavapai Fire District Board made a motion to approve the letter from the Central Yavapai Fire District to the State Treasurer. Director Beck seconded.

The motion passed unanimously.

6. ADJOURNMENT

5. PRESENTATIONS

- A. United Yavapai Firefighters Local 3066: Wage and Benefits for Fiscal Year 2023

IAFF United Yavapai Firefighters Local 3066 Vice President Bob Curry introduced himself and Local 3066 Executive Board members Russell Smith and Cody Rafter. Vice President Curry and Member Russell Smith provided a presentation on what makes the Local 3066 membership unique, the challenges that Agency members currently face, and the solutions that the Union would like to see moving forward.

Clerk Dobbs and Director Brashear joined via Zoom at 1:09 p.m.

The Union's recommendation is a 3% Cost of Living Adjustment (COLA).

See attached presentation.

B. Budget Work Study

Chief Tharp presented a budget with a zero tax rate increase and budgets that include a 1%, 1.5%, 2% and 3% Cost of Living Adjustment (COLA). He also provided a review of Agency expenditure and tax rate history and projections, an explanation of Net Assessed Valuation forecasting, and highlights and challenges for the Fiscal Year 2023 Budget.

He continued, articulating that there will be significant issues if the Agency does nothing to address the Capital Reserve account, which Staff would like to see grow to \$10 million. He noted that the Government Finance Officers Association (GFOA) recommends that an agency like CAFMA should be budgeting 5%, at minimum, for contingency, and strongly urged the Board to stick with the tax rate projections of at least a 2-cent increase.

Chief Freitag added that much of the overtime was due to backfilling the Rescue vehicles because of ambulance response challenges. He also reminded the Board that the Agency did not receive COVID relief money. Chair Dicus inquired as to whether or not it is still a possibility for the Agency to receive COVID relief money. Chief Freitag responded that though Staff was hoping to receive funds from Yavapai County, no money has been offered as of yet.

Chief Freitag stated that the Agency is looking to build a new station in the next few years due to increasing call volume in Prescott Valley. He highlighted a need to bolster the Capital Reserve because currently, without a bond, the Agency could not afford to build a station, even with \$10 million in Capital Reserve. He reported that Staff has cut a number of items from the budget, and for example, if CAFMA does not receive the SAFER grant, then that money will go into the Capital Reserve. He concluded by stating that the built-in 3% annual escalators are not enough to keep up with cost of goods.

Chief Tharp indicated the reason for a tax increase is not solely to provide a COLA. If the other increases had not occurred, the Agency would have had capacity to provide some of the things that have been requested. He then explained how the budget process will move forward from this point.

Director Gordon inquired as to whether or not the 5-cent tax increase for a 3% COLA included the 2-cent increase for Capital Reserve. Chief Tharp responded that all versions of the budget include a \$100,000 allocation to the Capital Reserve. He reminded the Board that it is approximately \$85,000 for every cent that the Central Yavapai tax rate is increased and approximately \$15,000 for a 1-cent increase in Chino Valley.

Chair Zurcher had Chief Tharp bring back up the 2019 Tax Rate Projections and Current Tax Rate Projections slides. Chief Freitag noted that the Boards in 2019 could not have predicted the increasing costs, and unlike the Agency's

municipal and County partners, he reiterated that CAFMA did not see any COVID relief funds or money from sales tax revenue.

Chair Zurcher invited Local 3066 President Ben Roché to provide an update on the Arizona Sales Tax for Fire District Funding Initiative.

Director Beck inquired as to whether or not Chino Valley Fire District is still at the maximum for their tax rate. Chief Tharp indicated that new legislation has increased the maximum; Chino can increase to \$3.375 this year, and up to \$3.50 next year. Chief Tharp also reminded the board that the NAV increase did go down this year.

Chair Zurcher asked what Central Yavapai's tax rate has been historically. Chief Tharp indicated that the Agency has worked hard to maintain a flat tax rate and that in prior years it has either remained neutral or seen minimal increases.

Vice President Curry asked Chief Tharp to clarify what 1-cent is equivalent to in collected revenue for each Fire District. Chief Tharp responded that 1-cent for Chino Valley equals about \$15,000, while 1-cent for Central Yavapai equals about \$85,000 in collected revenue.

President Roché explained why the State approved the increase to the maximum tax rate allowed. Chair Dicus inquired as to whether or not Chino Valley is hitting the maximum tax rate due to a lack of commercial industry. President Roché responded that a lack of commercial tax likely had an effect as Chino is mostly residential and commercial generates more.

Chief Freitag added that the same individual that decreased the amount of the commercial rate last year is doing the same this year. He reiterated that the COLA that the Union has requested would have been easier to accomplish if not for the other increases, specifically the 105% increase in worker's compensation. If the Governor were to declare COVID as endemic rather than pandemic, the Agency's rate would be approximately 35% less.

Chair Dicus clarified that the Agency's workers' compensation is a pool. Chief Freitag responded in the affirmative. Chief Tharp reminded the Board that there are only two workers' compensation carriers in the state; one private, and the other the pool.

Director Beck inquired about the projected increases for the Capital Reserve. Chief Tharp noted that the presentation shows the fund increasing, but that is because Staff cut \$1.4 million.

Chair Dicus asked Vice President Curry where CAFMA's starting firefighters are offered relative to minimum wage. Vice President Curry responded that CAFMA is starting new firefighters at close to what is being advertised at places like Walmart or local fast food restaurants.

Chair Zurcher requested further clarification as to how much starting firefighters are paid. Administrative Manager Dixon responded that if FLSA is included, new firefighters start at about \$50,601 annually, which equals about \$24.00 per

hour if you calculate for a 40-hour week. Chief Tharp confirmed that when it is looked at as a straight dollar-to-dollar amount for an hourly rate it is close to minimum wage. Local 3066 Executive Board member Smith added that newer Agency members bring home only about \$2,400 per month. Chief Freitag added that a lot of Agency entry-level positions, including firefighter, are in that \$15-16 per hour range.

Chair Dicus stated that the Agency has to do something for the employees. Chief Freitag added that the Wage and Benefit Study showed that the Agency was woefully behind the market. His concern is that now that state statute does not allow for a residency requirement, CAFMA will recruit from around the state, train the recruits, and then when a position opens where they live, they will leave. He is concerned that community involvement and engagement will become non-existent. Chair Dicus said that as long as she has been on the Board this has been an issue.

President Roché stated that the teamwork that he has witnessed has been very good. The Agency is trying to be a leader in equipment, buildings, service, training, hiring. He highlighted the area's quality of life and amenities, but noted that that only goes so far, and one thing has not changed for the better is competitive pay. A COLA would make CAFMA a progressive leader, and will protect the Agency. He recognized that no one wants to be in this same boat three years from now.

Chief Freitag concluded by stating that a need for behavioral health programs has increased, and that is why the Agency has signed a retainer agreement with Start Moving-On Counseling Services. The retainer agreement is about \$18,000, but the Agency is required to fund up to 36 visits, per incident, per employee per the Craig Tiger Act.

LABOR MANAGEMENT MEETING LOCAL 3066— CAFMA CHAPTER

APRIL 18, 2022

- **Objectives:**

- Our goal is to work beside administration and our fire board in an effort to **maintain the trajectory** and **future sustainability of our organization** while ensuring our personnel are compensated fairly. We look forward to working together in identifying solutions to the complex problems we currently face.
- We recognize our community, our organization and our membership are **all facing the same challenges within a rapidly evolving economy**.

- **Who we represent:**

- We have the **opportunity to represent each of our members** within Administration, Prevention, Fleet Services, Warehouse, Tech Services, Training, Prevention *and* Operations.
- ***Our membership is unique*** in that since the majority of us live locally, we have an ability to support a multitude of CAFMA programs and community events further enhancing our commitment to the organization and the community we serve as a whole.

• **As an example, our members are committed to and continually support:**

- **Current Challenges:**

- **Inflation** has **outpaced our ability to maintain a neutral tax rate**. Property values have skyrocketed, yet we are restricted to a 5% increase to the limited assessed value each year which has reduced the potential NAV significantly.
- **Cost of doing business** has increased substantially:
 - Increased response due to 38% increase in call volume
 - Increased fuel usage, supplies, personnel, capital replacement, etc.
 - Increased call volume has resulted in a \$167,000 increase to dispatch services
 - Increased per/gallon fuel costs
 - Cost to purchase new apparatus has almost doubled
 - Cost to remodel or contract a new station has nearly tripled in some cases
 - Increased cost to Workman Compensation insurance
 - Increased Health insurance costs
- The **cost of living has outpaced current wages** and **has restricted our personnel's ability to live here locally** forcing us to recruit new personnel from out of the area:
 - **Home Values** increased **over 57%**
 - Median **home value** has increased from **\$300,000-\$471,000**
 - **Rental Rates** increased **over 40%**
 - Median **cost to rent** a single family 3 bed home increased from **\$1600** to **~\$2245-\$2650**
 - **Cost of Living: (Fuel, Utility, Grocery)** has increased substantially over **8.7%**
- **Local Firefighters** *support* **Local Business, CAFMA Programs** and **Local Events**

- **Wages & Benefits:**

- We **recognize and appreciate previous efforts** to bring our personnel into the 75th percentile after conclusion of the wage study in December 2020.
- Our **initial goal was to implement the 75th percentile** at the conclusion of the study but in the face of COVID/economic uncertainty we understood the immediate cost of implementing all changes at once would **create an undue burden** to our organization and the community we serve.
- Realizing those impacts, **we agreed to a 2 year implementation** with an end goal of bringing all personnel into the 75th percentile while also addressing Holiday Pay, PEHP, Acting Pay, Vacation/Sick-Leave and Longevity benefits.
- Our **initial plan did not anticipate the significant changes** we have experienced within the economy over the past two years. Our goal is to create a wage structure that remains competitive in today's labor market in an effort to **address current & future retention/recruitment** and minimize future impacts and liabilities.
- Had the wage study been implemented year 1, our sub-step personnel would likely have seen an additional 3.5% merit/step increase.
- Holiday Pay, Acting Pay, PEHP & Longevity **has been postponed for later discussion**
- Additionally, valley departments have already started adjusting to current economic changes by implementing COLA's and wage adjustments.

- **Proposed Solution:**

- Recognizing the impact that the soaring economy has had on our membership as well as our ability to recruit and retain personnel into the future, we identify the need to **prioritize a COLA ahead of all other benefits:**

- COLA is the **best means to address current cost of living challenges** for **ALL personnel**, while avoiding future unexpected wage adjustments and financial liabilities.
- Current **CPI Western Region: 8.7%** (4/2021-4/2022)
- As a collective, **we recognize the need to address all aspects of the wage & benefit study** but also **understand the challenges we face** as an organization and within our community. Therefore, our membership has **prioritized implementation of a 3% COLA** above other items within the wage study.
- The following demonstrates the **approximate increase in “take home” pay** of a 3% COLA (based on step 1 wages, standard deductions/elections):
 - Firefighter: \$80/month
 - Engineer: \$100/month
 - Captain: \$120/month

- **Cost comparison of COLA vs. Holiday Pay, PEHP, Acting Pay, Longevity:**

- **COLA: @ 8.7%(CPI) - \$1,608,234**, 3% - \$554,210, 2% - \$369,453, 1% - \$184,721
- **Cost to implement wage study benefits** = at least **\$487,128**
 - Holiday Pay - \$256,432 (as our membership proposed referencing the wage study)
 - PEHP - \$143,096
 - Acting Pay - \$87,600
 - Longevity - TBD

- **Tax Rate:**

- While we **aim to minimize the financial impact to our community** and strive to **identify opportunities within our current budget** to minimize tax implications, we recognize there may be a need to increase the current tax rate in order to maintain the best level of service to our community.
- Recalling that we have **avoided prior increases to the tax rate** during times of uncertainty within last budget cycles due to COVID, we now have the history of a booming economy to make a more informed decision.
- Also recognizing that during this same time we have **substantially increased the level of service** we offer our community with implementation of E-540, efforts to overcome the ambulance issues by purchasing rescues and continually supporting current ongoing CON efforts with little-no impact to our tax payer.
- Each 1 cent increase to the CVFD tax rate equates to an approximate \$85,000 increase to the budget and distributed between all residential, commercial and vacant property owners.
- The **cost** to address all anticipated budget increases and implement a 3% COLA would be a 3 cent increase to CVFD and 5.6 cent increase to the CVFD tax rate.

- **The following are examples used to demonstrate the approximate financial impact to our community annually:**

Challenges We Face as an Organization

- **Inflation** has **outpaced our ability** to maintain a **neutral tax rate**
- **Cost of doing business** has **increased substantially**:
 - Increase in response due to a **38% increase in call volume** (5 years):
 - Increased Fuel Usage, Supplies, Personnel, Capital Replacement, etc.
 - Increased **fuel costs**
 - Cost to purchase **new apparatus** has almost **doubled**
 - Cost to **remodel** or **construct a new station** has nearly **tripled** in some cases
 - Increased call volume has resulted in a **\$167,000** increase to **dispatch services**
 - Increases to **Workman Compensation** and **Health Insurance**
 - Increasing industry and area labor costs
 - Many others...
- **Property values** have skyrocketed, yet due to **prop 117** we are restricted to a 5% increase in limited assessed value each year which has reduced the potential NAV significantly

Tax Rate Considerations

- While we **aim to minimize the financial impact to our community** and hope to **identify opportunities within our current budget**, we recognize there may be a need to increase the current tax rate in order to maintain the best level of service to our community
- Recalling that we have **avoided prior increases to the tax rate** during times of uncertainty (COVID), we **now have the history of a booming economy** to make a more informed decision
- Recognize that during this same time we have **increased the level of service** we offer our community **substantially** with little to **no impact to our tax payer**:
 - Maintained response with **38% higher call volume**
 - Implemented **40-Hour Engine (E-540)**
 - Hired **additional personnel** to maintain workload
 - Supported ongoing **CON efforts**
 - Overcome **ambulance deficiencies** with rescue purchase and overtime coverage

Challenge to Recruitment & Retention

- **Cost of living** has **outpaced current wages**, restricting our personnel's **ability to live here** locally and forcing us to **recruit new personnel from out of the area** presenting **further challenges in competing with valley departments**
- **Home Values** have **increased over 57%**:
 - Median **home value** has increased **from \$300,000-\$471,000**
- **Rental Rates** have **increased over 40%**:
 - Median **cost to rent** a single family 3 bed home increased from **\$1600** to **~\$2245-\$2650**
- **Cost of living**: (**Fuel, Utility, Grocery**) has **increased substantially - over 8.7%**

— Prescott Valley \$471K

Wage & Benefit History:

- We recognize and **appreciate past efforts** to bring our personnel into the 75th percentile at the conclusion of the wage study in December 2020
- Our **initial goal was to implement the 75th percentile** at the conclusion of the study but in the face of COVID/economic uncertainty we understood the immediate cost of implementing all changes at once would **create an undue burden** to our organization and the community we serve
- Realizing those impacts, **we agreed to a 2 year implementation** with an end goal of bringing all personnel into the 75th percentile **while addressing** Holiday Pay, PEHP, Acting Pay, Vacation/Sick-Leave and Longevity benefits

Wages & Benefits Currently:

- Our **initial plan did not anticipate the significant changes** we have experienced within the local economic environment over the past 2 years
- Had the wage study been implemented year 1, our substep personnel would likely have seen an **additional 3.5% merit/step increase**
- Holiday Pay, Acting Pay, PEHP and Longevity **was postponed for later discussion**
- Our goal is to remain competitive in todays labor market in an effort to **improve current/future retention/recruitment** while **minimizing the same unexpected liabilities we recently faced in the future**

Proposed Solution

Current **Western Region CPI: 8.7%** (4/2021-4/2022)

- **Cost comparison:** (COLA vs. Holiday Pay, PEHP, Acting Pay, Longevity)

- **COLA:** @ 8.7%(CPI) - \$1,608,234, 3% - \$554,210, 2% - \$369,453, 1% - \$184,721

- **Estimated cost to implement wage study benefits** - over **\$487,128**

- Holiday Pay - \$256,432, PEHP - \$143,096, Acting Pay - \$87,600, Longevity - TBD

- **Recognizing** the **impact a soaring economy** has had **on our membership** as well as our **ability to recruit/retain** personnel we identify the need to **prioritize a COLA** in line with the **CPI ahead of all other benefits**

Impact to our Membership

- The following demonstrates the ***approximate* increase in “take home” pay** of a 3% COLA (based on step 1 wages, standard deductions/elections):
 - Firefighter: \$80/month
 - Engineer: \$100/month
 - Captain: \$120/month
- We recognize **this will not solve the issues we are facing**, however it will get us headed in the right direction and lessen the impact of any future financial liabilities going forward

RELATIVE INFORMATION:

It is essential to hire and retain employees who will be committed to the effective operation of the Central Arizona Fire and Medical Authority. In order to achieve this goal, the Agency should:

1. When possible, complete a wage study every three years to ascertain that our personnel are appropriately compensated.
2. Consider an annual Cost of Living Adjustment, when financially feasible, in order to sustain a pre-determined wage level and utilize the CPI-U (Urban) West Region compound annual rate for the third quarter of each year to determine an appropriate cost of living adjustment.

When possible, offer our retirees an opportunity to stay on CAFMA's group health insurance plan, with the retirees reimbursing the Agency the cost of their insurance, plus a two percent administrative fee. Once they reach Medicare age they are no longer eligible to stay on the group policy. Retirees must remit payment by the first day of each month.

Consumer Price Index

Consumer Price Index, West Region — March 2022

Area prices were up 1.3 percent over the past month, up 8.7 percent from a year ago

Prices in the West Region, as measured by the Consumer Price Index for All Urban Consumers (CPI-U), advanced 1.3 percent in March, the U.S. Bureau of Labor Statistics reported today. (See [table A](#).) The March increase was influenced by higher prices for gasoline. (Data in this report are not seasonally adjusted. Accordingly, month-to-month changes may reflect seasonal influences.)

Over the last 12 months, the CPI-U rose 8.7 percent. (See [chart 1](#) and [table A](#).) This was the largest over-the-year increase in the CPI-U for the West Region since February 1982. Food prices advanced 8.9 percent. Energy prices jumped 33.4 percent, largely the result of an increase in the price of gasoline. The index for all items less food and energy increased 6.8 percent over the year. (See [table 1](#).)

Expenditure History and Projections (current FY 22)

Expenditure Projection Basis

- Includes
 - Ongoing/regular increase (5%) in costs for equipment, services. Wages, insurance and retirement costs at 5% (3.5% step scale)
 - Personnel attrition – not NEW Staffing
 - Slow shift in Capital Reserve funding continuing
 - \$67,000 – FY 2022
 - \$100,000 – FY 2023

Expenditure Projection Basis

- May include:
 - Room for some wage and benefit changes. This depends on what we actually see for increases in the other cost areas.
 - Capital Reserve Account planning – budgeting for more expenses being assigned to M&O (previously at 50:50 Capital Reserve Account and M&O Expense).

6. NEW BUSINESS

A. Discussion and Direction to Staff Regarding the Budget Process and Draft Budget Update

Chief Tharp advised the Board that Staff is asking for direction relating to which of the four budget options they would like to consider moving forward. He reminded the Board that the Agency had forecasted a 2-cent increase, and the Cost of Living Adjustment (COLA) is not the only reason that the tax rate will increase; there are multiple reasons. He also reminded the Board that residents have already received a 5% increase due to the NAV, and this tax increase would be in addition to that. He then explained that the correlation between a COLA and a tax increase are not the same; for example, a 3% COLA is a 5-cent tax increase. He reported that the Chino Valley Fire District (CVFD) Board felt comfortable with a 3-cent increase; however, that nets a different amount for them. He concluded by reiterating that Staff is requesting direction on what the Board would like to see at the May meeting.

Director Beck requested clarification regarding the CVFD Board's direction. Chief Tharp reported that the CVFD Board was comfortable with a 3% COLA and the subsequent tax increase. Chief Tharp explained that if this Board was not comfortable with the tax increase required for a 3% COLA, Staff would go back to the CVFD Board to see if they would be comfortable with a greater tax increase to make up for the dollars not received by the tax increase in Central Yavapai.

Chair Zurcher specified that though CVFD would see a 3-cent increase, it would be a 5.6-cent tax increase for Central Yavapai. Chief Tharp explained that it is not exactly an 80/20 split, and that CAFMA requires a certain dollar amount to function, and that will be dictated by the two District Boards.

Director Beck requested that Chief Tharp speak to the extraordinary expenses that are causing a need for a tax increase, and inquired as to whether Staff believes this will be a continual issue, or a one-off. Chief Tharp replied that a great deal of the workers' compensation increase this year due to COVID-19 will not be recurring. If the Governor's Office declares that COVID is endemic, then that portion of the increase would immediately disappear. Presumptive cancer is still an unknown as it is dependent on the claims that are incurred. Though so far the Agency has not received any COVID relief funds, it is possible that funds from the State, through ARPA or the Cares Act, may offset our COVID costs. There have also been significant fuel and Dispatch increases, some of which the Agency can mitigate, but some of which depends on the economy. He further explained that the Agency must prepare for the entire fiscal year based on what all can see at this time.

Chair Zurcher inquired as to the amount budgeted for the Capital Reserve. Chief Tharp responded that Staff has budgeted for \$100,000 to go to Capital Reserve, and while that number is discretionary, he recommended a minimum of \$100,000 as the Agency must continue to build the account up to \$10 million. CAFMA relies on its Capital Reserve to cover expenses between tax collection dates, and gave an example of the decrease in the Capital Reserve during those periods of time.

Chair Zurcher then inquired as to whether or not any property tax increases that are budgeted for a COLA would include extra funds going to Capital. Chief Tharp

answered that there are monies budgeted for contingencies, and if not used, those dollars would go to Capital. Staff would like to see money left over to assign to the Capital Reserve; however, the Agency is already over budget for overtime and some equipment purchases. He further explained that the Agency is not always able to collect all the tax money that is expected, for example, in the year prior, only 97% was collected. This means that the Agency must operate with less money, which is where the contingency comes into play.

Chief Freitag reiterated that \$100,000 was budgeted and that Staff did not want to ask for more in case the ARPA funds come through. Were that to happen, then those funds would be added to Capital.

Chair Zurcher asked each Board member to comment.

Director Anderson stated that he takes no pride in the fact that the Agency has reached the minimum of 75th percentile and thinks CAFMA should try to make the 3% COLA work. He is comfortable with the corresponding tax increase.

Clerk Packard stated that she agrees with Director Anderson.

Chair Zurcher supports a COLA, but would like to be fiscally responsible and is wary of raising the tax rate too high, too fast. He recognizes that people are hurting, and would support up to a 3-cent addition to the tax rate and splitting a COLA between this year and the next. He concluded by stating that were the sales tax initiative to pass, it would be a game-changer for the Agency.

Director Gordon supports the 3% COLA; however, he is also concerned with making sure the Agency's Capital Reserve account is properly funded. He is fairly comfortable with a 5.6-cent increase this year, but his biggest concern is that too much of an increase, too quickly, might lose CAFMA community support. He would consider a split between this year and the next.

Director Beck is concerned about recruiting, and understands that training new employees, only for them to leave, is costly to the Agency. He echoed the concerns of his fellow members regarding increasing the tax rate too quickly and losing the support of the community. He would support a 3-cent increase with any excess going toward the COLA.

The Board directed Staff to present two budgets, a 5.6-cent increase and a 3-cent increase to the property tax.

SUBJECT: DISCUSSION AND POSSIBLE APPROVAL OF FISCAL YEAR 2022-
2023 BOND TAX RATE OF \$0.1604

For the Fiscal Year 2022-2023, the Central Yavapai Fire District would like to levy \$1,378,348 in bond tax revenues. The revenues would be applied to the Bond Debt Servicing for the 2018 bond repayment obligation of \$455,735 and the 2013 bond repayment obligation of \$922,613 for a total of \$1,378,348. The resulting levy requirement yields a tax rate of \$0.1604 (reduction of \$0.0032 from prior year).

Suggested Motion:

Motion to approve Fiscal Year 2023 bond tax rate of \$0.1604.
