

CONSTRUCTION GUIDELINES FOR CONTRACTORS AND ARCHITECTS

(PREVIOUSLY: FIRE PROTECTION DEVELOPMENT STANDARDS)

REVISED October 27, 2022

- Document has been renamed. New name: Construction Guidelines for Contractors and Architects.
- References to our website have been updated with our new web address: cazfire.gov.
- Chapter and section number references have been removed (IFC and NFPA references are still included).
- 2018 IFC Local Amendments have been removed from this document; they are available as a separate document.
