The Review is Dark this Week... If you know this image, then you're a similar age to me 😊

The Chief's Desk

Everything I say can and will be used against me in a court of law. It just so happens I'm in court this week. Sooo, for this week's Review, Be Kind to Each Other.

Hope you all have a great weekend!

Oh, one thing. The board did approve the purchase of a piece of property at Santa Fe Loop and Glassford Hill Road for a new station. Based on the maps that Michael Freeman created, this is an ideal location to fill in some gaps as the area continues to grow. We don't have the money to build a station today, however we hope to seek a GO Bond in 3-4 years.

It's been an intense week, so for the first time in nearly ten years, this is all I have for you.

Upcoming Events:

Dec 4-7: Chief and Niemynski in Phoenix for CON Hearing/Maybe/Maybe Not. We don't know for certain at this point

Board Meeting:
